CELEBRATING 2023

It's been another great year for RiverLife! Here are some of our favorite moments:

#ServeCoweta Returns!

On August 26th, our community came together once again for a community-wide day of service! Teams served individuals in need of ramps and exterior repair, and at several local nonprofits. Next year we will have two events: April 6th and August 24th.

Did You Know?

RiverLife is now a member of Georgia VOAD (Voluntary Organizations Active in Disaster). After our involvement with tornado recovery efforts in Newnan, our team decided to help other communities facing disasters. Our efforts include Call Center and Volunteer Reception Center Operations. We are also equipped to lead teams in debris clean up throughout long term recovery.

In January, Griffin and surrounding areas were hit by several tornadoes and RiverLife was able to join with emergency response teams and assist with Call Center set up and their VRC.

Student Mission Camps

Each year, we are proud to partner with Square Foot Ministry to provide middle and high school students with an experience of serving their community with our IMPACT SUMMER CAMP! This year, we launched ALTERNATIVE SPRING BREAK with UWG for college students. Participants for both of these experiences gather daily for a devotion and are then sent out to serve individuals, families and even local nonprofits in need of hands-on help. Our hope is not only to make a difference in the community, but to cultivate these young hearts for serving their neighbors!

Companies Giving Back

We are honored to have local businesses choose to serve with RiverLife as a way to give back to the community! Pictured here: EMC, Chick-fil-a, Amazon, and Coweta Water Authority. See how your company can make a difference at livetheriverlife.com.

Coweta Community Foundation
Kiwanis

Silver Bells Coweta is in full swing as of the writing of this newsletter! This program serves our homebound and/or isolated senior adults who would not otherwise experience the joy of the holiday. This year, 150 seniors will be sponsored by members of the community for Christmas!

THE CHURCH ON MONDAY

If you are involved in a church family, this group may be for you! As Christians, we know Church isn't just about Sundays. It's about living out our faith every day of the week! The Church on Monday is an on-going small group opportunity to join with other church families to serve the community and share the love of God with those around us. Come once, or come every week! Follow our on-line calendar for details!

BE THE LIGHT

There are plenty of concerns in the world today. As we serve our neighbors, we often find people who are discouraged, lonely and even hopeless. RiverLife teams will hear us say: "The PERSON is more important than the PROJECT." Yes, volunteers are meeting a physical need, but in doing so, they are bringing both help AND hope! They are often bringing a LIGHT into a dark situation, and that is LIFE-CHANGING! Whenever and wherever you can, BE THE LIGHT in someone's darkness!
