

The Sun Will Rise Again

After some time away, The Pe Ell Sun is back!

It has been a while since the last Pe Ell Sun landed in your hands. Life got busy, schedules got full, and somewhere along the way our little hometown paper took a longer break than originally planned.

But the Sun is rising again.

The purpose of The Pe Ell Sun has always been pretty simple: to give our community one place to find out what is happening around town, at our school, with our neighbors and throughout the communities surrounding us.

There is plenty to catch up on, and plenty happening as we head into fall. Pe Ell School is welcoming students back to a campus that has seen some big changes over the summer, Labor Day weekend is just around the corner, and community calendars are quickly filling for September and beyond.

Thank you to our advertisers, contributors and readers who have continued to support The Pe Ell Sun, and especially those who have asked when it was coming back.

Well... here we are.

There may still be a little dust to shake off, but I'm excited to once again share Kristi's Korner, meetings, school news, celebrations, events and everyday happenings that make our little corner of Lewis County home.

-Krista

WELCOME BACK, TROJANS!

Pe Ell students returned to school Thursday, Aug. 27, beginning the 2026–2027 school year—and they returned to a campus that looks a little different than the one they left behind.

Construction continued throughout the summer as work moved forward on the Pe Ell School improvement project. The opening of school was pushed back from the originally scheduled Aug. 24 start to Aug. 27 to allow additional time to prepare the campus for students.

Inside this issue, we'll take a look at some of the changes waiting for students and staff, along with important back-to-school information for Pe Ell families.

Drivers are also reminded to slow down and use extra caution along Highway 6 and around the school as students return to their daily routines.

Honoring America's Workers

For many of us, Labor Day marks the unofficial end of summer, a three-day weekend filled with camping trips, barbecues, family gatherings and one last chance to enjoy the season before fall settles in. But the holiday has a much deeper history.

Labor Day was created to recognize the contributions American workers have made to the strength,

prosperity and well-being of our country. The holiday grew out of the labor movement of the late 1800s, when workers across the nation were advocating for better wages, safer working conditions and reasonable hours.

Individual states began recognizing Labor Day before it became a federal holiday. In 1894, Congress passed legislation making the first Monday in September a legal holiday, and President Grover Cleveland signed it into law.

More than 130 years later, Labor Day remains an opportunity to recognize the people whose work keeps our communities moving—from farmers, loggers and tradespeople to teachers, healthcare workers, first responders, small-business owners and countless others.

Here in a small community like ours, we see the value of that work every day. Our towns are built and sustained by people willing to roll up their sleeves, lend a hand and put in an honest day's work.

So while you enjoy the long weekend, take a moment to remember what Labor Day represents.

It is more than the end of summer. It is a day set aside to honor America's workers, past and present, and the work that built our communities and our country.

Howdy!! I hope everyone is enjoying a fun-filled summer!! To be sure, the months are flying by and there's no mistaking that fall feeling in the air.

Labor Day weekend is looming large. Wishing everyone a safe and happy holiday.

Pe Ell School is back in session soon. Please be mindful of students during school hours crossing Hwy 6.

A BIG shout out to the firefighters and first responders who have battled the recent wildfires.

I recently enjoyed a wonderful concert by Sister Luv, at the SWW Fair.

The four talented sisters are the granddaughters of Mike and Linda Karboski Watson. Mandy Sue is their mom. If you have an opportunity, follow them on Facebook and check out their new, original song, "The Great Unknown." I promise, you won't be disappointed!!

Please continue keeping everyone who is ill and going through tough times in our community, close in heart and prayers.

Until the next Pe Ell Sun rises, here is something to think about. "The only person you are destined to become is the person you decide to be." Ralph Waldo Emerson

MINUTES WITH THE MAYOR

Hello, Everyone,

Welcome to the month of September (almost)! I hope your summer has been a good one.

Even though temps have cooled down, please continue observing the burn that is still in place.

Good luck to the staff and Pe Ell School student body as they begin the 2026-2027 school year. Drivers, please use extra caution during school hours when students are out and about.

The Eastside Project should begin in a week or so and completion is scheduled for the middle of September. Please beware of construction equipment, trucks, workers, etc. while they are on site.

In the interest of safety, I continue to strongly urge skateboard riders, Razor scooters, bicyclists, etc. to wear helmets while you're out and about.

Please continue keeping storm drains cleared of debris. Don't forget to check on your neighbors and senior citizens in the community who may need extra assistance with transportation, errands, food, medications and appointments, especially during these colder months.

Would you like to become involved with town business? Pe Ell Town Council meets the first and third Tuesday of each month at 6:00 p.m. at Town Hall.

If you would like to receive EMS updates now or in the future, please sign up for Lewis County Alerts on the Lewis County Department of Emergency Management site at:
<https://lewiscountywa.gov/departments/emergency-management>. This is especially helpful in keeping our citizens updated and informed on disruption in normal water service.

If you haven't already done so, check out the Town of Pe Ell web site at www.townofpeell.com.

Questions? I'm always a phone call away and my door is always open to talk. Looking forward to visiting in September!

Take care and God bless,

Mayor Lonnie
