You and your bicycle will embark at the Chehalis Centralia Railroad Train Depot and take a scenic train ride. On the way back we will stop at the Millburn Rail Stop where we will unload you and your bicycle. At this stop, our rail line intersects with the Willapa Hills Trail. The location is at Spooner Road which is 7.4 miles from the Chehalis Willapa Hill Trailhead near where your car is parked in Chehalis. We will help you and your bike off the train and send you off on the next leg of your journey. You may choose to continue venturing west on your bike or circle back to the Willapa Hills Trailhead at Hillberger Road, just 1/4 mile from the Chehalis-Centralia Railroad Depot.

The Willapa Hills Trail stretches 56 miles from Chehalis in Lewis County to South Bend in Pacific County. Except for the occasional bridge, it is a flat and scenic trail that welcomes cyclists of all experience levels. You will encounter picturesque views of the Chehalis River Valley, farms, woodlands, and charming small towns.

The cost for the train ride and to check a bike on board is \$35 adults (14-61), \$33 seniors (62+), and \$28 youth (5-13). We are offering this Bike & Ride train on the 2nd and 4th Saturdays of each month from June 22nd through September 2024. Rides are at 11 a.m., 2 p.m., or 5 p.m.. The train ride portion of your journey is about 45 minutes from Chehalis to Spooner Road.

Click here to reserve tickets or call (360) 748-9593 for more information. Walk-ups welcome. Each ride is limited to 20 bikes. Free parking.

VOTE YES 911

FOR LEWIS COUNTY EMERGENCY SERVICES

What's being proposed to voters this November?

This November, voters are being asked to consider a two-tenths of 1% sales and use tax to address emergency communications needs in Lewis County. With your vote, we can give first responders the support they need to protect life and property in our communities. Medicines, gas, and groceries are exempt from this proposed sales and use tax.

VOTE YES 911

FOR LEWIS COUNTY EMERGENCY SERVICES

What would the two-tenths of 1% sales and use tax be used for?

- Allow the 911 center to receive funding from eligible retail sales, including purchases made by tourists and other shoppers who may not otherwise contribute to the center.
- Provide an independent funding source for emergency communications, reducing reliance on property tax revenue.
- Provide funding for 911 operations, including maintenance and support of communications systems.
- Allow for the implementation of new technologies that would help 911 provide faster and more efficient assistance to the public and first responders.

The Wizard Express

Experience magic, mystery, and managed mischief on the School of Wizardry Express, featuring award winning magician, Headmaster Jeff Evans.

This new adventure is pulling out all the stops with fun and festivities for everyone. Get in the spirit and be part of the atmosphere by wearing your own cloak, wizard hats and any supporting costume attire.

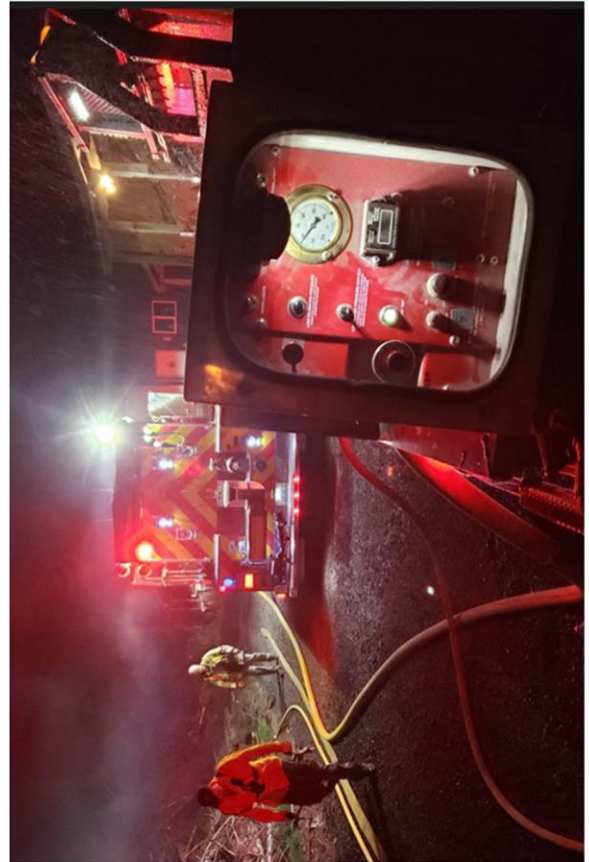

Expert magician Jeff Evans will teach Mystic Arts while you prove your prowess and boast your best at trivia and adventure games. Gear up for your adventure with treats and "to die for trinkets" at the Marketplace at the Depot prior to boarding the train.

The Wizard Express arrives at the Chehalis Centralia Railroad Depot on the first weekend of October. All children under 16 must be accompanied by an adult. General seating tickets are available online only at SteamTrainRide.com. Proceeds will support the ongoing renovation of our historic rail cars and #15 steam locomotive.

SUPPORT YOUR FIREFIGHTERS THIS NOVEMBER!

VOTE

Why are you being asked to support a levy for fire department now? Over the last several years the cost of everything from diesel to bottled water has increased significantly. These rising costs have impacted the department's ability to maintain equipment and services. Aging and outdated equipment needs to be maintained or replaced, including one Engine that is currently out-of-service. This levy is needed to support your department in order to maintain and improve services in the community and ensure your firefighters and EMT's have the resources necessary to provide services safely.

MINUTES WITH THE MAYOR

Hello, Everyone,

The month of September has flown and we say goodbye to summer and hello to fall with its crisper air and beautiful colors. It isn't too early to begin thinking about winterizing your homes.

Please drive carefully and be mindful of Pe Ell School students crossing Hwy 6 in the mornings and afternoons and during lunch hour.

Thank you for continuing to use the yard waste container responsibly and please make sure not to dump noxious weeds in the container as this contaminates the entire load. The container will be here until the end of October and return in the spring.

I am pleased to extend congratulations to our Pe Ell Town Clerk/Treasurer, Terra Oster, on a perfect Federal and Financial Audit Exit report. A big thank you to Terra for all her hard work and dedication to The Town of Pe Ell.

If you would like to receive EMS updates now or in the future, please sign up for Lewis County Alerts on the Lewis County Department of Emergency Management site at: <https://lewiscountywa.gov/departments/emergency-management>. This is especially helpful in keeping our citizens updated and informed on disruption in normal water service.

If you haven't already done so, check out the Town of Pe Ell web site at www.townofpeell.com.

Questions? I'm always a phone call away and my door is always open to talk. Looking forward to visiting in October.

Take care and God bless,

Mayor Lonnie
