OCTOBER 19TH & 20TH, 2024

Our annual tradition of hosting Pumpkin Trains continues. We invite all spooks, ghouls, monsters, and creatures to join us for a special harvest-themed ride and holiday treat! This fun-filled fall event includes a colorful train ride through the stunning Chehalis River Valley, treats, a costume contest, and a chance for kids to pick their perfect pumpkin.

Costume contest categories are age-based: 2 and under, ages 3-5, ages 6-8, ages 9-15 and ages 16+. Children up to 15 years old receive treats and a chance to choose their pumpkin from the meadow near our railyard.

Online Reservations are necessary due to the popularity of these trains. There is no heater on board so make sure to dress appropriately for the weather!

Parking is free.

Please arrive 1/2 hour prior to departure.

With cooler night temps and daylight waning earlier in the evening, there's no denying autumn is in the air. Hunting season is in full swing and I'd like to offer a word of caution to hunters and mushroom foragers be safe and don't forget to wear your hunter orange.

Let's hope the Seahawks make a better showing at home during this week's Thursday night game against the 49ers than they did last Sunday v. the 3-1 Giants.

Continued thanks to Mike Jensen for his daily Hwy 6 road report.

SUPPORT YOUR FIREFIGHTERS THIS NOVEMBER!

Levy Fast Facts, how will your money be spent?

The district works hard to be good stewards of your money and is focused on basic operational needs and using your money wisely. To this end, the district has identified three key areas where funding is needed to support your Fire Department.

Firefighter/EMT Safety and Training:

- **Firefighter protective clothing** is only certified for 10 years of use; most of your firefighters are using expired protective equipment - \$5000 to replace for each firefighter.
- **EMT training and equipment** is needed to maintain our ability to respond - \$2500 to train and equip each new EMT
- **Communications** is critical for our team to respond to calls, many of our volunteers do not have radios/pagers or have very old equipment that doesn't always work - \$2000 per firefighter

Apparatus Repair and Replacement:

- The life expectancy of a fire truck is 20-30 years. Your department currently has two apparatus that are over 25 years old. Replacement apparatus costs roughly \$500,000 each.
- **Tender 11-1** will be 35 years old in 2025 and has recently started to experience a tank failure.
- **Engine 11-2** will be 30 years old in 2025 and has been out of service since March due to a pump failure that will require substantial repairs.
- **Aid 11-1**, while a newer chassis, the box is near 30 years old and starting to fail and will require replacement soon.

Equipment Repair and Replacement:

- Much of the **firehose** currently on the apparatus is old and at risk of failure and in need of replacement. Average cost of replacement is \$50,000 per apparatus.
- **Air Pack cylinders** (SCBA's) all need replacement due to expiring earlier this year: \$22,000
- Many pieces of equipment are needed to be replaced:
 - **Portable pump** (\$7000)
 - **Portable fan** (\$3000)
 - **Portable lights** (\$2500)

FOR LEWIS COUNTY EMERGENCY SERVICES

What would the two-tenths of 1% sales and use tax be used for?

- Allow the 911 center to receive funding from eligible retail sales, including purchases made by tourists and other shoppers who may not otherwise contribute to the center.
- Provide an independent funding source for emergency communications, reducing reliance on property tax revenue.
- Provide funding for 911 operations, including maintenance and support of communications systems.
- Allow for the implementation of new technologies that would help 911 provide faster and more efficient assistance to the public and first responders.

SUNDAY AFTERNOON

Live

Montreal Guitar Trio—MG3—invite you to journey with them to the windswept plains of the west. These masters of guitar will immerse you in the wild, melodic, percussive and unforgettable music of Ennio Morricone, the composer of

soundtracks from “A Fistful of Dollars”; “For A Few Dollars More”; “The Good, The Bad, And The Ugly”; and “Once Upon A Time In The West”. For over 25 years, MG3 have featured the songs of Morricone in their performances and albums; for our Sunday Afternoon Live audience, they will perform a special and spectacular tribute concert to honor the prolific film composer.

The CBC has characterized MG3 as “the hottest guitar gathering in Canada”. They will bring their fire and eloquence to the stage of the historic Raymond Theatre on Sunday, October 27 at 2 PM. Their world-class performances include mandolin, bass, accordion, violin, and vocals as they present unique interpretations of Morricone’s works. On October 28, MG3 will offer an outreach concert for local public school students, also at the Raymond Theatre. Both concerts are guaranteed to have listeners on the edges of their seats!

Montreal Guitar Trio will perform at the historic Raymond Theatre, 323 3rd St, Raymond, WA on Sunday, October 27 at 2 PM. Tickets for MG3 will be \$25 (\$5 for students) at the door (credit card, cash, or check). Advance purchase is \$20 (\$5 for students) online at sundayafternoonlive.org or by mail. Send a SASE and a check payable to Sunday Afternoon Live to: SAL, PO Box 964, South Bend, WA 98586; or you may email sal@reachone.com, or call 360-836-4419. Tickets may also be purchased at South Bend Pharmacy and at Raymond Pharmacy, or at Alder + Co. in Raymond.

Season tickets are also available for purchase for \$100 and include admission to all of our Season 21 performances.
