

Every year, on the last Monday of May, Americans come together to observe Memorial Day, a solemn occasion dedicated to honoring the men and women who have died in military service to the United States. This day of remembrance, which originated in the aftermath of the Civil War, has grown to encompass all those who have fallen in the line of duty, serving as a powerful reminder of the cost of freedom and the valor of those who defend it.

Over time, Memorial Day has evolved into a national day of reflection and respect. Parades, ceremonies, and moments of silence are common, with many Americans visiting cemeteries and memorials to honor those who have made the ultimate sacrifice. The tradition of the National Moment of Remembrance, established by Congress in 2000, asks all Americans to pause at 3:00 PM local time for a minute of silence to remember and honor those who have died in service.

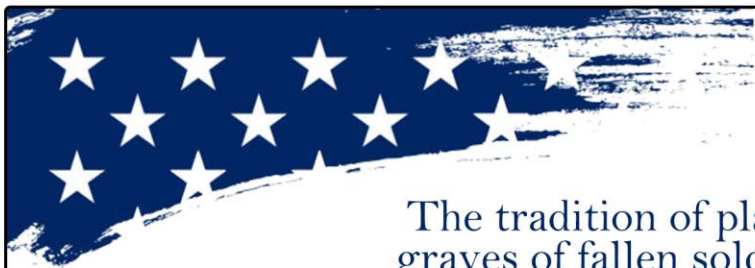

This year, Memorial Day holds an additional layer of significance as it coincides with the 80th anniversary of D-Day, one of the most pivotal moments in World War II. On June 6, 1944, Allied forces launched Operation Overlord, the largest amphibious invasion in history, on the beaches of Normandy, France. This daring assault marked the beginning of the end for Nazi Germany, leading to the liberation of Western Europe from occupation.

D-Day was a monumental effort involving over 156,000 troops from the United States, Britain, Canada, and other Allied nations. The bravery and sacrifice of those who stormed the beaches at Normandy are etched into history, with many paying the ultimate price. The anniversary of D-Day is a poignant reminder of the courage, determination, and unity that defined the Allied forces during World War II.

As we observe Memorial Day and mark the 80th anniversary of D-Day, it is essential to continue the legacy of honoring and supporting our veterans and active-duty military personnel. This can be done through participating in local events, volunteering with veteran organizations, and advocating for policies that support those who have served. By doing so, we ensure that the sacrifices made by so many are never forgotten and that the values of Courage, service, and sacrifice remain at the forefront of our national consciousness.

Memorial Day and the 80th anniversary of D-Day provide a unique opportunity to reflect on the profound sacrifices made by our military personnel throughout history. As we honor those who have fallen and celebrate the pivotal moments that have shaped our world, we reinforce our commitment to remembering the past and supporting those who continue to serve. This Memorial Day, let us unite in gratitude and remembrance, paying tribute to the heroes of D-Day and all who have given their lives for freedom.

The tradition of placing flags on the graves of fallen soldiers can be traced back to the American Civil War. It is a deeply ingrained practice in American culture, and it is a way to honor and remember those who have made the ultimate sacrifice in service to our country.

When a flag is placed at the grave of a fallen soldier, it represents much more than just a simple decoration. It serves as a symbol of the sacrifice that the individual made for their country and as a way to honor their memory. Additionally, the flag serves as a symbol of the values and ideals that the United States was founded upon, including freedom, democracy, and justice.

The theft of flags from cemeteries is a despicable act of disrespect to the memory of those who have served our country. It is a disturbing trend that has been on the rise in recent years, and it is something that should be condemned at every opportunity.

To prevent the theft of flags from cemeteries, it is important for the community to remain vigilant and report any suspicious behavior to the authorities. Additionally, it is essential to educate the public about the significance of the flags on the graves of fallen soldiers and the importance of treating them with the utmost respect.

Ultimately, the presence of a flag at the grave of a fallen soldier is a symbol of the ultimate sacrifice that they made for our country. It is a powerful reminder of the value of service and the cost of freedom, and it should be treated with the utmost respect and reverence.

MINUTES WITH THE MAYOR

Hello, Everyone,

The month of May is nearly over and it's onward to June and hopefully, better weather. With lawn mowing season in full swing, please continue to keep sidewalks and roads in front of your homes cleared of grass clippings. They pose a slippery hazard for walkers/joggers and motorcycles.

Thank you for continuing to use the yard waste container responsibly and please make sure not to dump noxious weeds in the container as this contaminates the entire load. Just a reminder: save the date, June 22nd for the next spring clean-up/recycle event. Additional information to follow as the date becomes closer.

Once again, thank you for observing the postal-parking-only sign in front of the Post Office. Remember, unless you have postal business, please park elsewhere. The road improvement project across from Town Hall is 95% complete and looks great! If you haven't seen it, come on down and take a look. Thank you for your patience during any inconvenience you may have encountered during this project.

The sewer plant project is approximately 2 weeks away from being completed. With the departure of Town Councilor Kerry "Mac" McRoberts, there is a vacancy on the Pe Ell Town Council. If you would like to be part of making a difference in our community, please stop by Town Hall and pick up an application. We thank Mac for his contribution to the town and wish him and Vicki all the best as they embark on their next life chapter in Oregon.

Congratulations to the PWV Lady Titans and our Track and Field Team on making it to State in Yakima this week. You make the community very proud!

Good luck and congratulations to the 2024 Pe Ell High School senior class. Graduation is slated for June 7th.

If you would like to receive EMS updates now or in the future, please sign up for Lewis County Alerts on the Lewis County Department of Emergency Management site at: <https://lewiscountywa.gov/departments/emergency-management>. This is especially helpful in keeping our citizens updated and informed on disruption in normal water service. If you haven't already done so, check out the Town of Pe Ell web site at www.townofpeell.com.

Questions? I'm always a phone call away and my door is always open to talk. Looking forward to visiting in June. This weekend we observe Memorial Day and honor our brave veterans who gave their lives so that we may remain the land of the free and the home of the brave. If you have a flag, fly it.
