

HAPPY
Father's
DAY
May 16th,
2024

Father's Day is a special day when we pay tribute to our fathers for their unconditional love and support. It's a fantastic opportunity to spend quality time with our dads and show them how much we appreciate them. Father's day is celebrated on the third Sunday of June in many countries around the world.

One of the simplest and most touching ways to celebrate Father's Day is by spending quality time together. You can cook his favorite meal at home, take him for lunch or dinner, or plan a fun activity or outing that you know he'll enjoy. You can also make a homemade card or gift for him, or write a heartfelt letter expressing your love and gratitude.

Another great idea is to organize a family outing to a place of your father's choice. This could be anything from a road trip to a national park or a museum that he has always wanted to visit. You can also plan a day of adventure activities such as hiking, camping, or fishing, to give him an experience he'll cherish forever. Whatever you decide, make sure it's something that you both will enjoy.

One more idea is to plan a family game night or movie marathon, complete with his favorite snacks and drinks. This will give you a chance to spend quality time together and create some fun memories that you'll all treasure for years to come.

Father's Day is all about celebrating the special bond between a father and his children. Make this day extra special for your dad by doing something meaningful and memorable that he will cherish forever. Whether it's a simple gathering or an elaborate surprise, the most important thing is to spend time together and appreciate each other's company.

JUNE 14TH, 2024

Flag Day originated in the United States in the late 1800s, when a school teacher named Bernard J. Cigrand urged his students to observe June 14th as "Flag Birthday". Over time, the idea gained popularity, and on August 3, 1949, President Harry Truman signed a bill designating June 14th as National Flag Day. Flag Day is a day to honor the design and symbolism of the American flag, as well as the sacrifices of those who have fought and continue to fight for the freedoms it represents. Many communities hold parades or ceremonies to commemorate the day, and people across the country decorate with the stars and stripes to show their patriotism.

Free Park Day!

Washington State Parks and the Washington Departments of Fish & Wildlife (WDFW) and Natural Resources (DNR) offer several "free days" when a Discover Pass is not required to visit these lands.

June 19th --
Juneteenth

Free days apply only to day use (not overnight stays or rented facilities). Free days are valid at state parks and Washington State Departments of Natural Resources and Fish & Wildlife lands. Sno-Park permits are still required on free days at designated Sno-Parks during the winter season.

The next full Moon will be Friday evening, June 21, 2024, appearing at 6:08 PM. The Moon will appear full for about three days around this time, from Thursday evening through Sunday morning.

In the 1930s the Maine Farmer's Almanac began publishing "Indian" names for full Moons and these names are now widely known and used. According to this Almanac, as the full Moon in June this is the Strawberry Moon, a name that comes from the relatively short season for harvesting strawberries in the north-eastern United States.

If you're not allergic, enjoy the strawberries, flowers, and honey during this "sweetest" month of the year, and take note of how low in the sky this full Moon will be.

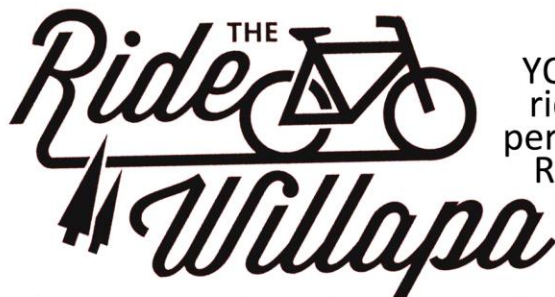

As summer begins the daily periods of sunlight start to gradually shorten, having been at their longest on the summer solstice on the day before this full Moon. On the day of the full Moon, morning twilight will begin at 4:30 AM, sunrise will be at 5:43 AM, sunset will be at 8:37 PM

This full moon happens on the day after the Summer Solstice, June 20th, 2024, the longest day of the year; full moons occur within a day of the solstices about every 19 to 20 years.

Summer Solstice Blessing

As the sun spirals its longest dance, I bless you.
As nature shows bounty and fertility, I bless you.
May you live with loving intent,
To fulfill your truest destiny.

It's been an amazing season for our local high school athletes. PHS fastpitch and tracksters all brought home hardware from State and we are SO proud. Congratulations to our 10 PWV Lady Titans on being named to the All-P2BL Teams and to Eric Hopfer on League Coach of the Year honors!!

You may have noticed the new landscaping and flowers planted around the Welcome to Pe Ell sign coming into town from Chehalis. A BIG shout out to Alicia Martinez, her mom, Mary Blumenthal, and everyone that donated time, plants and flowers. Thank you all for your community spirit in beautifying our little village.

We have a bright new face on the Pe Ell Town Council. Please welcome Tauna Garrison who has replaced Kerry "Mac" McRoberts in position #2.

Congratulations to Mark Miller on recently winning the Westport Fishing Derby with his 29.5pound lingcod. That's a dandy, Mark!!

Kudos to 1968 PHS alum, Larry Petersen, on being appointed to the Chehalis School Board.

Until the next Pe Ell Sun rises, here are a few words to ponder: "The world is a dangerous place, not because of those who do evil, but, because of those who look on and do nothing."
