

As we welcome the new year at the Pe Ell Sun, I hope you have had a wonderful 2024 and a bright and cheerful holiday season.

I would like to start by thanking you, the reader! Whether you have just read a few pages or have read through all our published newsletters, we appreciate every interaction! Your unwavering support and engagement have been the cornerstone of everything we do. This is the end of my second year as editor of the Pe Ell Sun, and I look forward to many more.

I couldn't be more proud of what we have accomplished as the Pe Ell Sun staff. In 2024 we published another 24 issues both in print and online. Thank you to Kristi Milanowski for your dedication to your article in every issue and your financial donations throughout the year. To Terra Oster, our town clerk, thank you for providing us with town news and handling our printing needs. And to Trisha Newman thank you for supporting our senior community, from sending the menu plans to events.

None of this would be possible without the support of our advertisers, we deeply value their partnership and the role they play in our success. Their support not only enables us to continue publishing but also strengthens connections within our community.

Thank you to Aleta Lewton, The Doty Store, Dryad Baptist Church, Evey's, Magruder Heating & Cooling, The Pe Ell Mini Mart, The New Harvest Church, The Pe Ell Pub, Seth Sharp, Security State Bank, and Title Guaranty!

I invite other businesses to join the Pe Ell Sun Advertising team in 2025! The goal for 2025 is to have 15 advertisers. This goal will help us continue to expand the publication. I started out with just 8 pages in Jan of 2023, we have more recently published issues with up to 28 pages! With more advertising support we can continue to expand the paper with even more content. If you'd like to join our advertising team or have any questions, please feel free to email me at krista.little@peellsun.com

This year the Pe Ell Sun was able to contribute to Pe Ell School sports fundraisers, and Local Events. This year also marked the 2nd year of "Letters from Santa" program that brought joy and magical memories to children and families across our town. These projects remind me of the power of coming together to uplift and support one another.

As we prepare for the year ahead, I am filled with optimism and excitement to bring you even more local content. Thank you for being a part of this journey. With your continued support, I am excited to keep growing, sharing more stories, and serving this incredible community. Here's to an even brighter and more successful 2025!

Warm wishes,
Krista Little

Shellfish managers with the Washington Department of Fish and Wildlife (WDFW) announced tentative days of razor clam digs at four coastal beaches from Oct. 15 through Feb. 1. SUNDAY AFTERNOON

Live

When you see The Brownsmead Flats performing on stage, you may well conclude that they are living the dream, and you may even wish you could be right up there, a part of the band. The Brownsmead Flats have been together for over 40 years, having begun in the late 1970s at local coastal Oregon potlucks and school functions. Their long-time camaraderie and sense of fun draw in their audiences—sometimes quite literally, with audience sing-alongs and even group dances. Sunday Afternoon Live is pleased and proud to welcome The Brownsmead Flats for a return performance to the stage of the Raymond Theatre on Sunday, December 29 at 2 PM. This will be a FREE concert, and donations will be gratefully accepted.

The Brownsmead Flats hail from the small town of Brownsmead, Oregon, a place steeped in the maritime traditions. In fact, they have dubbed themselves a “crabgrass band”, creating infectious music that combines bluegrass with the flavor of sea shanties and fishing lore. They bring that unique blend to eager audiences at such venues as the Stormy Weather Arts Festival in Cannon Beach and Astoria’s annual FisherPoets’ Gathering. These musicians are stellar bluegrass players, delighting listeners with their mastery of mandolin, guitar, fiddle, hammered dulcimer, banjo, harmonica, and bass. The twist is that they channel that bluegrass expertise into songs about rainfall, dangerous river crossings, Lewis and Clark, and other coastal themes. A wonderfully and uniquely Pacific Northwest musical experience!

The Brownsmead Flats will perform this FREE concert at the historic Raymond Theatre, 323 3rd St, Raymond, WA on Sunday, December 29 at 2 PM.

HAPPY NEW YEAR

It's safe to say that we're all ready to celebrate the start of a new year. This time around, New Year's Eve is Tuesday, December 31, 2024, and New Year's Day is Wednesday, January 1, 2025. We look forward to watching the grand fireworks displays that will mark the start of 2025—hopefully, a better year for all!

The evening before New Year's Day—New Year's Eve—is when most people celebrate the turning of the year! People may celebrate the last hours at a party or watch a televised countdown as the clock counts down. When the clock strikes midnight, the custom is to exchange hugs and kisses and wish each other a "Happy New Year!"

In Scotland, the custom of first-footing is an important part of celebrating Hogmanay, or New Year's Eve Day. This practice holds that the first foot to cross a threshold after midnight will predict the next year's fortune. Today, there is a custom of visiting good friends and family after midnight on New Year's Eve.

A common custom on the first of the new year is to reflect and make New Year's resolutions. A fresh calendar encourages us to fill in the blanks with ambitious home and personal improvement projects.

MINUTES WITH THE MAYOR

Hello, Everyone,

The month of December has flown, Christmas is in the rear view mirror and 2024 is quickly winding down. I'm looking forward to new projects and improvements in the Town of Pe Ell in 2025.

Winter weather has arrived and it looks like wind, rain and colder temps have settled in for a while. As always make sure your furry and feathered pets have adequate food and shelter during the inclement weather. Please continue keeping storm drains cleared of leaves and debris that have been falling during recent wind storms. Use extra caution when driving on rain and ice-slickened roads. Don't forget to check on your neighbors and senior citizens in the community who may need extra assistance with transportation, errands, food, medications and appointments during the winter months.

If you would like to receive EMS updates now or in the future, please sign up for Lewis County Alerts on the Lewis County Department of Emergency Management site at: <https://lewiscountywa.gov/departments/emergency-management>. This is especially helpful in keeping our citizens updated and informed on disruption in normal water service.

If you haven't already done so, check out the Town of Pe Ell web site at www.townofpeell.com.

Questions? I'm always a phone call away and my door is always open to talk. Looking forward to visiting in January and the New Year. From our home to yours, Cindy and I hope everyone enjoyed a very blessed and Merry Christmas. Never forget the reason of the season and our Savior Jesus Christ and his sacrifices.

Take care and God bless,

Mayor Lonnie
