

Thanksgiving is a holiday with deep roots in American history, tracing its origins back to the early 17th century. The most widely recognized origin story dates back to 1621 when Pilgrims, who had arrived in Plymouth, Massachusetts, aboard the Mayflower, celebrated a bountiful harvest alongside Native Americans. This feast is often considered the first Thanksgiving and is symbolic of cooperation and gratitude between the Pilgrims and the Wampanoag people.

Over the years, Thanksgiving evolved into a time for expressing gratitude for the blessings of the harvest and the preceding year. However, it wasn't until the 19th century that Thanksgiving became an official national holiday. In 1863, during the Civil War, President Abraham Lincoln proclaimed Thanksgiving a national holiday, setting the date as the final Thursday in November. Later, in 1941, Congress officially established Thanksgiving as the fourth Thursday in November, where it stands today.

Modern Thanksgiving celebrations are characterized by family gatherings, feasts, and expressions of gratitude. Many people participate in the tradition of preparing and sharing a large meal with loved ones, featuring a roasted turkey as the centerpiece. The holiday also often involves reflecting on one's blessings and taking time to appreciate the people and experiences that bring joy and fulfillment. Parades, football games, and various festive activities have become integral parts of the Thanksgiving tradition, making it a cherished occasion for many Americans.

# MINUTES WITH THE MAYOR

Hello, Everyone,

The month of November has flown, Thanksgiving is next week and 2024 is quickly winding down.

Winter weather has arrived and it looks like wind, rain and colder temps have settled in. Make sure your furry and feathered pets have adequate food and shelter during the inclement weather. Please keep storm drains cleared of leaves and use extra caution when driving on rain and ice-slickened roads.

If you would like to receive EMS updates now or in the future, please sign up for Lewis County Alerts on the Lewis County Department of Emergency Management site at: <https://lewiscountywa.gov./departments/emergency-management>. This is especially helpful in keeping our citizens updated and informed on disruption in normal water service.

If you haven't already done so, check out the Town of Pe Ell web site at [www.townofpeell.com](http://www.townofpeell.com).

Questions? I'm always a phone call away and my door is always open to talk. Looking forward to visiting in December.

From our home to yours, Cindy and I wish everyone a very blessed and Happy Thanksgiving. We count our blessings and family and friends.

Take care and God bless,

*Mayor Lonnie*
