MINUTES WITH THE MAYOR

Hello, Everyone,

The month of January has flown and February 1st is right around the corner. I hope your New Year is off to a great start and continues on that path.

Winter weather is in full swing and colder temps have settled in for a while. If you haven't already done so, make sure your exterior pipes are wrapped to protect from freezing during these below-freezing temperatures. As always make sure your furry and feathered pets have adequate food and shelter during the inclement weather. Please continue keeping storm drains cleared of leaves and debris that have been falling during recent wind storms. Use extra caution when driving on rain and ice-slickened roads. Don't forget to check on your neighbors and senior citizens in the community who may need extra assistance with transportation, errands, food, medications and appointments during the winter months.

If you would like to receive EMS updates now or in the future, please sign up for Lewis County Alerts on the Lewis County Department of Emergency Management site at: <https://lewiscountywa.gov./departments/emergency-management>. This is especially helpful in keeping our citizens updated and informed on disruption in normal water service.

If you haven't already done so, check out the Town of Pe Ell web site at www.townofpeell.com.

Questions? I'm always a phone call away and my door is always open to talk. Looking forward to visiting in February.

Take care and God bless,

Mayor Lonnie

February's full Snow Moon reaches peak illumination at 5:53 A.M. on Wednesday, February 12.

The explanation behind February's full Moon name is a fairly straightforward one: it's known as the Snow Moon due to the typically heavy snowfall that occurs in February. On average, February is the United States' snowiest month, according to data from the National Weather Service. In the 1760s, Captain Jonathan Carver, who had visited with the Naudowessie (Dakota), wrote that the name used for this period was the Snow Moon, "because more snow commonly falls during this month than any other in the winter."

Another theme of this month's Moon names is scarcity. The Cherokee names of Month of the Bony Moon and Hungry Moon give evidence to the fact that food was hard to come by at this time.
