Understanding the Wechsler Intelligence Scale for Children Fifth Edition (WISC-V) Presented by Dr. Tim Rogers, School Psychologist

Date: Monday, October 26, 2020
 Time: 3:30 PM - 5:30 PM
 Location: Zoom Meeting (link will be provided prior to workshop)
 Target Audience: Special Educators, Teachers, Counselors, Administrators
 Cost: Free to districts who have SPRPCE membership
 Max Participants: 100
 Certificates: Contact hour certificates will be issued to participants

About Dr. Rogers

Dr. Rogers provides school psychological services for Eastern Maine Counseling and Testing Services and currently contracts with more than 20 Maine school districts to provide school psychological services. Services include cognitive assessments, academic evaluations and behavioral consultation. Dr. Rogers provides consultation to programs serving children with Autism and offers Applied Behavior Analysis models for use with elementary to high school aged students.

This course will cover the Wechsler Intelligence Scale for Children Fifth Edition (WISC-V) and it's uses. A review of all the subtests and index scores will be reviewed as well as how to interpret results. Dr. Rogers will include Specific Learning Disability information as well as review the SLD form.
