

United Way of Nevada County 20 21

CAMPAIGN SEASON

The program allows employees to give back to the community through a payroll deduction. Employees pledge a specific, self-determined amount which is then deducted from their paycheck, Pre-Tax.

You can make the difference

Cash donations of up to \$300 made during the year are now deductible without having to itemize when YOU file taxes.

We know that the most effective community change is based on a foundation of collaboration. Together we are able to support critical services and improve our community.

Join Today

Our goal is to help close gaps in the needs of our community!

Together we will create a better tomorrow
