0:01

uh i just had to pause it for a second to make a brief comment darth you're [ \_\_ ] uh but you've

0:06

gotten so [ \_\_ ] lazy it's like a cat that used to like to like chase mice around like a little mice

0:13

hunting you've gotten so [ \_\_ ] lazy like a fat old cat that like won't even get up off their ass like you have to if you want to see

0:20

the fat old cat play with a mouse you have to like break its leg and put it hand it to the cat because the cat

0:25

doesn't want to get up and if the mouse like fights too much like if they ask the mouse asks a question

0:30

then you just like walk away from them you don't even want to deal with it you just [ \_\_ ] sit there until somebody else brings you a

0:36

mouse with a [ \_\_ ] broken leg right uh before you play that box do we have

0:42

to see this oh this is what happens is they start an argument and they

0:47

continue to over talk and they try to scurry down a they try to segue down a semi-related

0:55

path to art to start an argument okay wow and he was one multiple times

1:00

argumentative okay see he said scurry these mice you can't

1:07

haunt mice that are scurrying only if they just sit there

1:12

now he's maintaining that he is agency in virtue that there are causal

1:19

relations and connections but when i asked him to give an account of causal relations and

1:24

connections as a prerequisite for agency he committed a fallacy begging the

1:30

question invoking sense perception implicitly contains the assertion

1:36

of causality so he gave a fallacious line of reasoning defending causality

1:49

that was beyond painful man wow is there more good stuff here how many

1:56

times oh yeah uh i need to fast forward a bit but yeah he starts talking about uh

2:03

laura for cliff jumper which is too big yes it's really cringey

2:17

many times way too many times what's that

2:22

i said it was an interesting discussion however chart lived it how is it how is it even

2:28

entertaining i mean dark you resorted to multiple many multiple warnings

2:41

i had to ask several questions four and five times dath i don't even

2:48

understand how it's entertaining to you anymore it's like the ones that you're resorting to are they're so stupid that

2:54

they can't even be humiliated i mean your goal is to humiliate people but you've gotten so lazy that you're

3:00

not even playing with [ \_\_ ] real mice anymore they're just like what do you call him why do you call him dath his name is gary

3:07

he doesn't do it to be entertained his name is gary milne and he's from new york

3:13

doesn't he want to humiliate people though he's like humiliating he's a wife peter did you know that he picked up his wife and he beat up his

3:19

children he's uh he's a horrible youtuber shut your [ \_\_ ] ass wait shut up jesus what'd you say sydney go ahead sydney

3:26

i was telling you about gary milne this crazy christian who pretends to be

3:31

the server he's a uh um a horrible horrible human being whose wife left him why not many many

3:39

years ago how do you know he's a wife

3:51

[Music]

3:57

[Music]

4:03

everyone shut your [ \_\_ ] mouth all right so so this this this person who um spends his time

4:10

insulting and slandering people on the internet trying to hide behind a keyboard as uh

4:18

with silly names like darth dawkins and duncan schmatheism and ef

4:23

and effeminate something or whatever his names are well he is actually a real person

4:30

within by the name of gary milne gary milne has a history a violent

4:37

history carrier pretends to be a christian

4:42

and at the same time gary milne bullies people not only on the internet

4:48

but in real life itself now what happened between uh

4:54

gary milne mr christian values and with a family and lots of kids and

5:01

everything what happened well mr christian values doesn't have any christian values as it turns out

5:06

mr christian values is an absolute fraud gary moan you're a [ \_\_ ] fraud you're

5:13

a hoax you're a bully you're an internet bully you're a piece of [ \_\_ ] you're a horrible human being

5:18

you give you give christians the crazy name and whatever what did it do to his family

5:23

what did he do to his family well um his his wife

5:30

um and him got into it for something for some reason or other because he's a very

5:35

violent abusive man for his children

5:50

sir there's an interview there's an interview with uh carol snow

5:57

or carol mill and carolee snow caramel she's uh she's his ex-wife there's an interview with her where she's talking

6:03

about yes i actually have seen that i haven't i have that interview thing you know one thing i do gotta say is you

6:08

gotta you had an okay looking wife though darth how did you do that with your fat gut oh [ \_\_ ] um

6:16

i think i think she kind of she cut out she cut him out of all the family photos because she was so disgusted by him

6:22

but to be fair the roles like he gets to beat me i think he's estranged from his entire family like he's not in any of

6:27

his kids wedding pictures on their facebook or anything listen he went he went to jail or he attacked

6:34

his son or his son attacked him or something happened in uh in florida down there where uh there was some police action police were

6:41

called yeah his son got arrested yeah i don't even know if if dath

6:46

wasn't involved in that he might not even know about that doc did you know that david uh we have his mug shots and arrest records for

6:53

assault in florida um but uh

6:58

dath you know he he had his first his first grandchild was born last year and i don't think

7:04

he's even met his first grandchild because his kids don't want anything to do with him have you met the grandkid

7:11

the baby the baby grandson was born last year this is whether he put the hypocrisy comes in mr christian values preach

7:18

preach preach yet yet behind the mask what do we have we got a green curtain with some idiot

7:25

behind with the it worldview you can still

7:31

repent and change your ways yeah christianity is so stupid don't talk to me

7:38

anyway um darr what about your son andrew

7:45

he had did he have to go live in a group home because you were like verbally abusive to him you used to call him stupid and stuff he

7:51

had a yes when his son was very young i believe he had some autistic tendencies darr i mean gary milne used to uh

7:58

humiliate his son in front of others by calling him stupid why are you so stupid you little

8:04

autistic kid yeah yeah and here he has an audience on

8:09

this on this platform he has an audience who people listen to him preaching his his hypocrisy

8:16

garth has such he's so ashamed that he has an autistic son he has such deep disdain for his stoke-fed

8:22

autistic son that he used to uh uh [ \_\_ ] abuse verbally and emotionally

8:29

abuse the autistic son by calling him stupid and getting frustrated when he couldn't

8:34

make simple inferences so that's one of the reasons he comes on the internet to uh bully atheists stupid atheists

8:41

just to take out some of the rage he has that his incompetent son and the shame he has for himself that something like

8:46

that could come from him you know i think bullying atheist is fine we can all handle it but when he

8:52

bullies the the disabled and he bullies people who are handicapped uh that is when it

9:00

crosses that red line and it's a very thin red line and he crosses it over and over

9:05

and over again he personally humiliates and insults disabled people that's when i'm done yeah there's been

9:12

so many times he'll be like to an atheist do you have down syndrome it's like no but your son does does it

9:18

run in the family yeah i mean he says i'm like really

9:23

[ \_\_ ] up [ \_\_ ] about transgenders as well if you fast forward a little bit into my video you can just hear me he has this like

9:29

cringy game he plays on the server daily call what is that and it makes fun of transgenders like daily

9:35

basic lady uh i don't know if you know i don't know if you know who lure cliff jumper is but uh he made fun of her and they

9:41

called her like a raggedy rag doll hit a bunch of nasty and he lives with his mom he's like 16

9:46

years old why are you listening i won't speak up are you a little [ \_\_ ]

9:53

scared uh yes he is is it because you're terrified of jack gang strike that he's hiding under your

10:00

butt right now i'm gonna come and kill you i'm gonna come and kill you during the revolution that's enough

10:05

uh yuri let's not get carried away be quiet yuri you just don't talk for a

10:11

while all right regardless it's more than he's just living with his mom he's leaping off of his mom because he

10:18

doesn't want to get a real job he's too [ \_\_ ] mentally ill to get a real job you know how we found

10:25

all this out about darth darth was so stupid that he doxed himself by [ \_\_ ] what a

10:31

[ \_\_ ] he knows we know where his stay in his first name and his approximate age he goes and he says

10:37

oh because he [ \_\_ ] hates transgenders he goes and he says oh i came from a high school where the

10:42

first transgender ever in the history of america a teacher came out publicly as a transgender so it's like all we had to

10:49

do was google who the first transgender teacher was see what high school she went to

10:54

where high school she was from and then like search through the um approximate year of gary's graduation

11:00

date for gary's first name and then we saw gary milne

11:05

darth you're so stupid

11:12

which is why he chose christianity because christianity is stupid gary stupid touching

11:19

uh dath you have a daughter and her only her early twenties yes he has hot daughters but they won't

11:24

talk to him oh did you guys see who fun his son david uh said that his dad needs

11:30

to get a job i told his son david i have an audio recording of your dad telling me to go overdose on heroin i'm an ex-addict

11:37

and he goes yeah my dad's not a very good person he needs to get a job

11:48

sexy too dath i might meet him meet up with him one day and [ \_\_ ] him i might meet up with your fun

11:54

[ \_\_ ] dath i don't normally top boys right maybe i make deception just to make you we need to get jj we need to get jj in

12:00

the works to [ \_\_ ] his daughter though that's that's the plan well well i'm gonna [ \_\_ ] his daughter the

12:06

only the only case where uh a a boy a [ \_\_ ] male and a

12:12

female having sex isn't degrading to the female but it's degrading to the male is if i [ \_\_ ] your son that's the only

12:18

time it's degrading to the male dath because i'm gonna go [ \_\_ ] him just because he's your son

12:24

someone should have like [ \_\_ ] um dath's daughter and do like a matt slick situation you guys are

brutal

12:33

oh it's been coming for years no no no no i love it i love it i just love all

12:39

this hatred and brutality [Laughter] video in the words of christianity what

12:47

is truth sir darth is such an evil human being tom

12:52

doesn't have a job oh my god his [ \_\_ ] you know he feels like such a failure because his dad georgetown university that's a

12:59

prestigious university his father graduated from georgetown university

13:04

uh as a dentist and poor darth couldn't even make it to college and he had to end up like making [ \_\_ ]

13:11

dentures in his basement and then his business went bankrupt and he had to move in with his mother

13:20

so um how did jesus figure in all this there uh gary milne

13:27

was he with you was was jesus behind you all the way through every failure

13:42

he this this gary moon is a low-life trailer trash piece of [ \_\_ ] no

13:48

matter who his uh what his lineage is in terms of education

13:58

he has a beautiful family though like you see the wife has moved on she's got like she's well the fact that

14:04

they've moved on has been the beautiful beautiful first born grandson his daughter's had a beautiful wedding

14:10

uh david's uh in florida he's a successful career and then there's just everybody's normal

14:15

successful attractive and then there's fat loser bankrupt darth narcissist and his whole family

14:23

hates him like his whole feeling is it's his perfect picture-perfect christian family except for darth darth just ruins

14:29

everything that for that [ \_\_ ] family they have to wear that badge of shame by cropping him out of family photos on his facebook

14:37

this black guy god there's this black guy you were walking back and forth and this [ \_\_ ] black guy was just

14:44

staring at you he was like walking into the kfc and he was just [ \_\_ ] staring at

14:51

you screaming about it yeah it was one of the funniest things i've ever seen

14:58

wait are you guys in public jesus pickles nickels going

15:06

darth remember how upset you were when i found out your [ \_\_ ] cat's name boo and then i made the hangouts through

15:13

the cat account and then i made another one on discount discord boo the cat and it was so funny when i found your

15:20

[ \_\_ ] docs i show up and renamed the account boom milne and then you knew i knew and i felt like

15:27

i that's that's the moment i won again the moment i felt victory over you the

15:33

moment i felt victory over you dath after seven [ \_\_ ] years was when i showed up with

15:38

the mailing account

15:44

that's [ \_\_ ] genius ladies and gentlemen we've got him we got him

15:51

oh my god that's so funny because that's exactly the night uh that we figured it out they

15:57

figured it out jack brought me and josh into a private voice channel and jack said we got him

16:04

and i like i was in disbelief i didn't believe him because there was other times we spent uh we thought we were on the lead and

16:10

then we were wrong but i just remember jack saying we got him and then we spent like the next six hours just like looking at his family's

16:16

facebook and what a clown he is one of the best nights of my life

16:23

[Applause]

16:36

[Music] dath used to call me fat look at his

16:42

it's that picture's from the 80s you could we have we don't have a picture of darth but we'll we'll get one one day i'm gonna get one from david

16:48

but we do have a picture of his stomach in the 80s because his wife cropped him out and he's holding his autistic [ \_\_ ]

16:55

down syndrome kid son andrew in the picture and his fat fat fat stomach is sticking into the

17:02

picture and i mean if you had a fat fat stomach in the 80s what do you look like now darth sitting in your [ \_\_ ] mother's

17:08

basement on the internet screaming at atheists do you ever leave the house darth jesus christ god let's

17:14

just have you field day with this how excited were you the day that you

17:21

guys figured it out i can't imagine jack what what was jack like when you figured

17:26

uh will you dox him while you got the dog jack probably jack probably came but that feels right now jack what do you

17:32

feel right now this is hilarious yo jack i'm loving you

17:37

man we've been waiting for this so long bro

17:47

darth usually runs but jack what do you think explains right now him sitting here and taking all this abuse

17:54

well it's like when he comes in under fake accounts in order to

18:03

listen to people talk about darth you're so stupid you used to just change the name of your sock account

18:10

instead of just like making a new account so we would always know it was your stock account and we we'd see you come in after like

18:17

jack chased you away we'd see you come in and listen to us mock you on the soccer account

18:22

and like you thought you're all uh undercover we didn't know you were in there we knew the entire time you [ \_\_ ]

18:28

clown oh this is beautiful

18:37

wait so what's going on like come on they're [ \_\_ ] destroyed this guy came in who was like [ \_\_ ] talking darth and then

18:44

it just turned into like a uh how was it called 10 minutes of hate i guess this is a

18:50

this is an interrogation all right we're based this is basically guantanamo bay right now hey jack

18:55

are you masturbating right now is anyone not what the [ \_\_ ]

19:03

is that jj came in to do the jj everybody's already

19:08

finished

19:14

darth like you live with your mother um so did she get it like it's weird like did your daughter send

19:21

her wedding invitation to the same address you live at but you didn't get one like you didn't get to go to the wedding

19:35

uh to be honest i'd rather just talk about you know that those arguments that you were running about

19:40

with that guy that you replayed about causality because i i don't think your view makes any sense there  
darth oh come on josh is ruining

19:47

it oh my god [ \_\_ ] um you know how darth loves trump

19:52

his son hates trump his son is always posting these anti-trump things to uh his facebook and i think that

19:59

might have been part of what they're following i was order but i mean your son just has deep the same view he thinks you're right he said himself that

20:04

you're a piece of [ \_\_ ] isn't it is that cool a black guy he is right

20:10

uh yes he is yeah and his wife is insane it's just insane that he would like

20:18

and

20:27

also supports trump if that tells you anything yeah i mean oh lord

20:36

you didn't expect the uncle tomorrow did you i mean

20:46

black people

20:53

that i can think of and that we know right now but there's a lot that has not been covered because gary milne

21:00

is covering it up yo didn't you say that he was beating uh her uh his wife or whatever

21:09

his wife said his wife said that he was abusive but we don't know if that was like emotional or physical abuse or what i

21:16

mean that's pretty believable based on the way he acts though and she's such a nice lady too what

21:22

could she have done for you to be abusive towards her darth well what does anybody

21:30

well i mean yeah i mean she's dull enough to date darth and then marry him so i'm sure she can't

21:37

be the smartest person and she had and she had kids with darth remember that that's another one

21:43

i wonder if he was sexually abusive [Music]

21:51

darth you have five kids uh darth i i guarantee that you have tried to gaslight your

21:57

wife and your [ \_\_ ] kids yeah i was i messaged your son-in-law about you too what does your son-in-law

22:03

think of you darth

22:11

this is just celestia

22:19

sister i don't know he has a sister but i don't know if he has any brothers but what a failure i mean you're [ \_\_ ]

22:26

he like it's it's funny his dad is a dentist from georgetown university and then darth can't graduate college

22:32

and he has to [ \_\_ ] make dentures and like he and his then his he can't even do that right

22:38

he can't even [ \_\_ ] make teeth in his basement he goes out of business and he has to

22:43

declare bankruptcy

22:49

and move in with his mom are you are you abusive towards your mom darth i wonder about that

23:00

he's probably it's like his life is probably like the most pathetic consolation of events i've ever heard you know like

23:08

[ \_\_ ] almost six year old man lives with mother all his kids like him

23:16

his wife like she did a good job moving on though she's got a successful boyfriend doesn't he own like a helicopter or

23:21

something i keep seeing pictures of them oh that must be hilarious oh my lord imagined

23:29

oh that's hilarious just just imagine him like scrolling through photos of his

23:35

uh of his wife's um boyfriend taking her on our helicopter rides while he's at home

23:40

like yeah you gotta see this guy you gotta see this guy he's [ \_\_ ] good well i don't know if it's a helicopter he's

23:46

some sort of pilot he has some sort of piloting license because that's just like i think that he was

23:52

flying a private plane right or his own yeah but he's the guy's

23:57

[ \_\_ ] good looking too he's like he's like skinny and tall he's like for an older guy you know

24:02

oh no this is beautiful this is a this was like new information that just makes it a lot

24:08

better oh [ \_\_ ] oh and we know that dath's ashamed of the fact that like his

24:14

marriage fell apart and stuff because we have audio recordings of him saying oh i've been married for 27 years well

24:20

that's a [ \_\_ ] lie because you got divorced in 2012 why are you lying dath are you embarrassed

24:30

i want to talk to david why the [ \_\_ ] would you talk to you

24:37

huh why would anyone did you hear what i said young yeah it's

24:43

david the marxist david or

24:51

david's pretty busy though he only responds to messages sometimes okay i know the last time somebody asked

24:58

him about doing like an interview he wasn't thrilled with the idea so

25:03

yeah but then he mentioned me back and said well can i just do like a live text interview he doesn't want to do it

25:08

voice he's really he's going to sell out his father for 200 dollars

25:20

jackie speak she wanted to say something i know i was just acting like white

25:26

english gaming like what what did he do is he like medical or technology i think he's some

25:33

kind of medical student i see him in scruggs i'm not sure though but uh he's really busy all the time

25:38

he's successful he moved out he had it he had to get so far away from his father they had to move to florida

25:50

uh he does have a little bit of darth's rage in him though because we do have some arrest records were with a misdemeanor assault

25:58

mug shots unless that was just because like you went down to florida to visit

26:04

him and then a physical altercation ensued darth is that what happened or is or does

26:10

darth just or does david just have a little uh ef aggression in him

26:17

i mean yeah entirely possible huh

26:25

he's not going to respond

26:31

no one yeah without that being stated by

26:36

hogan silence just a bad actor

26:43

uh silent i'm going to use my mods on you if you keep going after pogen

26:49

oh god that wasn't a joke i really i [ \_\_ ] i have deep personal contempt for you

26:55

and i like that jesus i don't think he's joking

27:01

guys do you think he'll ever meet uh your firstborn grandson congratulations by the way

27:11

oh [ \_\_ ] that's a slam okay so what do you think about this oh

27:17

i think that my copies are just delicious man i gotta get some more i'll be right back does somebody have a

27:23

link uh his wife there's this video of his wife on a stage talking about uh men

27:30

committing adultery uh just can we play a little audio clip of that yes please

27:36

[Music] and she's like psychologizing about

27:42

abusive men as hilarious in uh unfaithful men is hilarious

28:07

in 10 minutes shut the [ \_\_ ] up scope what is darth just gone [ \_\_ ] silent

28:14

or something yeah it's like darth your family

28:19

is just like you have an attractive family and then there's you your fat gut you have a devout christian

28:25

family like they're all really nice people uh except then there's you the piece of [ \_\_ ] you have

28:31

successful but you had a successful father your wife is successful she has a successful boyfriend who's a

28:37

pilot and then there's you who can't even [ \_\_ ] graduate college and goes bankrupt

28:42

you're just like deficient in every way i mean is there any way in which you're even competent remotely competent

28:48

relative to your family you're just a [ \_\_ ] piece of [ \_\_ ] jesus christ

28:55

yeah you're going in

29:01

like you're just deficient in every way you can be relative to your family

29:20

which is why i mean you're feeling it's just like you're already so like [ \_\_ ] you're just a total piece of

29:27

[ \_\_ ] in your family's eyes which is why you don't get off the internet when you know that uh you be

29:33

your presence here is just gonna make us talk to them on facebook more right the reason you're still here is

29:38

because you can't be more of a piece of [ \_\_ ] in their eyes so this the internet

29:43

humiliating atheist that's all you have you have nothing else you don't have a family your family

29:49

doesn't want to speak to you you have no interest nothing to do fail business living with

29:54

your [ \_\_ ] mother and all you have all you have is discord that's your whole life that's why you

29:59

won't give it up you won't give it up even though we're [ \_\_ ] calling your wife on the phone

30:09

former wife he doesn't have a what

30:16

i mean you won't give up attacking weak atheists to save your family the heartbreak of

30:22

having us [ \_\_ ] call for their phones and play your sound board saying telling them to [ \_\_ ] off

30:32

your wife was like gary why are you you're like shut the [ \_\_ ] up

30:40

shut the [ \_\_ ] up you troll said the sound board to carol snow and she said gary why are you doing this

30:58

i feel bad for laughing it's like almost like it would be it would be sad if

31:04

darth wasn't an awful person yeah i mean just just do one just do one [ \_\_ ] good deed decent

31:12

deed in your life get off the [ \_\_ ] internet so that your wife doesn't have to hear you tell her to [ \_\_ ] off

31:21

it's like you know his life is like something that will like come up in like some story you know

31:27

like about a loser and you just like really like if you're a writer you just really exaggerate

31:33

how much of a loser he is you just like take the worst possible uh kind of yeah it's like so bad it's

31:40

like so that you couldn't even make it stop yeah that's how bad it is it's worse than something you would make

31:46

up about somebody that's how bad what piece of [ \_\_ ] he is hey becke's back oh yeah that's cool

31:53

man do you remember me by train

32:00

michael why do you want to like protect dogs

32:07

i think you're cool overall though am i muted now yeah yeah oh yeah darth i promise you i

32:13

mean you're gonna [ \_\_ ] croak soon you're morbidly obese you're [ \_\_ ] 60 you're not gonna live much

longer but i promise you

32:20

i will be sure that when your grandson grows up he hears your [ \_\_ ] videos i will find

32:27

him i will track him down and your first born grandson who he'll never even meet he'll never know you

32:33

all he's really going to know about you other than the [ \_\_ ] your family tells him is the [ \_\_ ] videos that are

32:40

permanently on the internet forever i'm gonna i'm gonna show him your videos your first born grandson

32:47

and he's gonna be ashamed that he came from your bloodline because you're such a piece of [ \_\_ ]

32:57

is subject to youtube terms and conditions so much hatred yeah guys this is

33:06

probably not when he sees this christian [ \_\_ ] debating [ \_\_ ] pretty suppose there's less

33:12

garbage that might turn out to be an eight like david and not if god has anything

33:18

to do with it slick jesus now this is so [ \_\_ ] brutal i have not seen brutality like this like

33:24

before this is crazy josh is getting turned on yeah they're

33:29

gonna [ \_\_ ] violently after that josh wanted to start talking about darth's presuppositionalism did you hear

33:35

that why did you do that well i think baby why aren't you making fun of him do you feel sorry for him

33:42

it's a conversation that's been had many many many many many times

33:47

josh just say yes [Music] i think that he could be embarrassed

33:54

more intellectually than a lot of this stuff that's all he has is his intellect right

33:59

so i mean you can add all this stuff on to point out how his view doesn't

34:04

make any sense he doesn't really have much intellect you're constantly getting crushed and

34:09

having to run away from the majority of atheists you come across and then just attack the really stupid

34:15

weak ones because you're feeble

34:20

um no one here can defeat darth's position i just wanted to point that out real

34:25

quick carry on hey why is darth in here instead of going crushing some weak atheist

34:31

he uh does he like the abuse does he like get off on this in some way he likes the abuse yes he he does your

34:39

mother can't live much longer right

34:45

are you gonna inherit the house from your mother but you're gonna have to go into a nursing home

soon because you're

34:50

60 years old and you're morbidly obese no nobody in your family wants to take care of you they're not even going to visit you

34:56

in the state nursing home to be sure that you're not being abused and neglected you're going to die being abused and

35:02

neglected by the lord by [ \_\_ ] atheist nurse technicians

35:07

in the [ \_\_ ] state nursing home they're going to let them sit in your own shitty diaper

35:13

death and your kids aren't even gonna ever check up on you this is brutal this may be like this is

35:19

almost like over a line or evil this is completely worthless

35:28

this is

35:39

like some bdsm [ \_\_ ] like hardcore verbally on the internet i just i don't get it right like he has

35:45

his own little server where he can cultivate his little set of [ \_\_ ] i don't really understand why

35:51

he's in here too to be abused he might be recording too though

35:56

oh i'm sure godless is really worried

36:03

but darth really think about what do you think darth's faith fate is right his mother's gonna die he's gonna

36:08

have to he's gonna need somebody to take care of him as he gets older and fatter he's 60 and [ \_\_ ] morbidly obese

36:15

you know he doesn't have many years left but he's going to end up in a state [ \_\_ ] nursing home and he's going to die alone sitting in

36:21

his own [ \_\_ ] and slowly

36:28

his legs are going to have to be amputated first because they just they just dangle then it's going to be like angriness

36:36

his family's not even going to have a [ \_\_ ] funeral

36:43

yeah he's gonna burst one day any thoughts on this buckle

36:48

like his family might have not a funeral but something like gab i i think he needs to be raptured real

36:54

soon there will be that air that in the air have you ever been to one of those

36:59

funerals of a uh somebody who died that was a piece of [ \_\_ ] they're like i already nobody wants to say anything bad about them they only

37:04

want to say good things about him but there's just this air of fakeness and awkwardness

37:10

that everybody's aware of but nobody can say what but i mean do they even have good [ \_\_ ] they can make up about you

37:16

dark like what good things can they say about you it'll be like going to the funeral of a serial killer

37:30

gero what they do in those cases is they like take

37:35

those things that made the person like shitty and they like try to like word them in a way in which

37:41

it's like a virtue so they'd be like what did i know about darth well

37:47

he always played by his own rules he didn't let anyone else tell him what to do

37:55

yeah they try to you know give these youth how are they going to do your funeral no you know he was just a i don't know

38:01

how do you was trying to snipe

38:07

even after you die though you are forever more immortalized on the internet as the [ \_\_ ] clown

38:13

the people are still going to be watching those videos decades from now after you're dead laughing at you that's right

38:22

right yeah gg if you were if you were to know where it was would

38:28

you try to show up at darth's funeral i won't be a funeral be a party come on

38:35

there's got to be a lion jesus yeah we'll get shameless to go and [ \_\_ ] his mom oh well the only reason i might

38:42

if they were like doing an open casket and i was never able to get my hands on his picture i might show up just to see

38:47

what he [ \_\_ ] looked like out of curiosity just to laugh at him because i know you're a fat ugly troll

38:54

[Laughter] note to self do not [ \_\_ ] with gigi

39:06

well the reason that darth that **gary milne** doesn't have his own server anymore he might still have it is that nobody will go in there

39:13

because as soon as somebody walks in there and opens their mouth um they're banned they're muted they're

39:19

they're castigated they're humiliated and insulted so that kind of a was a huge failure a

39:25

majority of us that are active in this server firebrand are banned permanently from that server so yeah yeah you know people like to

39:32

hypothesize maybe he you know he comes in here to get atheists to debate him on his server

39:37

right but like three-fourths of us are banned so is he trying like what does he expect

39:45

what he expects us all to uh accept listen i don't know if i got anything left sydney post your link maybe there's

39:51

something i left out post me your website let me see if i left something out

39:56

all right i'm just imagining like godless dry firing and assault rifle for like 40 rounds

40:03

i'm gonna give you uh i'm gonna give you the category oh i i see the crop picture where he's

40:08

holding the autistic son yeah i just said to you it was so funny remember

40:14

darth remember before we had your docs i figured out that you had a [ \_\_ ] autistic son or a

40:19

down syndrome kid because you used to always say i have a disabled kid and then on separate occasions you'd always talk

40:24

about down syndrome or call people down syndrome so i put two and two together remember that night i was speculating in the

40:30

hangout uh and you were going [ \_\_ ] crazy in the wild in the [ \_\_ ] live chat that that's why you i said that's why

40:36

you come out here and abuse atheists and everyone's like no godless you that's you're just totally speculating

40:41

that's not true he doesn't have an autistic son i was right i was right you have a [ \_\_ ] your kid

40:46

is a [ \_\_ ] oh lord oh my god real quick you know who's in darth

40:52

server right now mk oh man i'm not i'm not gonna install this kid i'm getting so dark

40:59

mk please a little bit of moderation mk please how

41:06

do you know that satan isn't putting that thought in your head ah sydney winston's got a picture of

41:13

date your son david next to kathleen tanner

41:18

that's really good ah cindy come on man that's not david that's darth that's

41:25

gary miller that will be hello well until somebody proves me wrong that's gary miller i

41:31

don't know what can i imagine a video of david getting [ \_\_ ] by kathleen tanner

41:38

that would be hilarious to send it to me but but he's too old for her now

41:45

oh yikes anybody above the age of like nine is off limits okay so it says

41:52

gary milne's page in gary mill's page we have who is this monster his name is gary

41:58

milne this abusive piece of garbage gary milne publicly humiliated his autistic child think about it an

42:04

autistic child is traumatized for life thanks to daddy gary of course andrew is

42:09

an adult now although still living in a group home yes that is why the sun had to be put

42:15

into a group home and that is why his wife divorced him gary committed adultery on his wife

42:21

jerry milne also assaulted his wife his wife divorced him

42:27

he uh what else do we know about gary milne he has a fat gut gary milner

42:35

this is why i have a legit question how do you know that he assaulted his wife

42:41

though i want to know no we don't we don't but if he if he wants to clear up any of these misconceptions he can open his big

42:47

fat mouth wait wait do we know that he cheated on his wife yeah and then he

42:55

it says write garyvalen and tell him what you think of him inform all his neighbors who this vile excel

43:01

evil christian really is behind his fake exterior and then we have your neighbors addresses

43:07

so hillbilly and gary have cheated on their wives interesting wait so what did he do to

43:13

his kid again i'm sorry i missed out god damn it silent his kid had to be put into a group home

43:19

because he was abusive oh my god

43:34

his family is all i mean above average in a physical attractiveness he

43:40

i don't know why because darth is so [ \_\_ ] ugly

43:45

i think my favorite thing about it about this whole thing is

43:50

his wife's um boyfriend being rich and like attractive

43:55

sydney winston you're [ \_\_ ] witty listen to this [ \_\_ ] gary mill **gary milne** is a grumpy old man this

44:02

turns out to be the mother of all ironies here's why **gary milne** is a dental hygienist by trade hence his job is to help people

44:09

smile although no one that this author is aware of has seen gary's real-life image

44:14

he certainly does not smile on panel the dental hygienist man that never smiles

44:19

hides behind his keyboard from behind his keyboard he slings insults at others

44:24

who do not believe the same christian fundamentalist approach to scripture fiction as he does

44:31

this is and then there's a picture of his house this is where he spews his venom from it used to be such a nice neighborhood

44:38

until darth dawkins moved in **gary milne** as i now understand the situation lives in new jersey

44:43

i have been told that he was perhaps still uh owns a dental lab in business in new

44:50

jersey which is false because it went out of business he had to declare bankruptcy

45:04

okay guys i ran out of ammunition [Laughter]

45:12

uh that was like uh 25 minutes though wasn't it that was great that was good gg you really stepped up
