

**Script from a YouTube video - Darth admits
to (formerly) working in the dental industry.**

now no but don't you understand for

41:48

decades and decades and decades they

41:50

told us that

41:51

was proof of evolution do you know that

41:53

they told us that your wisdom teeth are

41:55

proof of evolution that also is a lie

41:57

okay you want to know why what you want

42:00

to know why because I've been in the

42:03

specific part of the medical industry

42:05

and I happen to know certain things

42:07

about human anatomy do you know that the

42:10

reason why some people have problems

42:12

with their wisdom teeth and others don't

42:14

you know why it's because their jaw

42:17

their jaw is slightly smaller or shorter

42:21

than it could be because if it was

42:25

slightly longer their wisdom teeth could
