Testimonial

"I just wanted to take a moment to say thank you to your wonderful organization!

It was beautiful witnessing the inspiration and motivation you poured into so many heads of household clients through your workshop at Family Promise Montco Pa.

Your willingness to help us style 3 of the mothers in the shelter for a formal gala resulted in exceptional boosts in self-esteem along with a wonderful night out for these mothers.

In addition, your generous donation of accessories has uplifted and inspired youth at 3 different group homes in Montgomery County!

Thank you from the bottom of our hearts! We appreciate your generosity and presence!"
