“*She is clothed with strength and dignity; she can laugh at the days to come. She speaks with wisdom, and faithful instruction is on her tongue.*”

PROVERBS 31:25-26 (NIV)

As we celebrate five years of service, I pause with deep gratitude to reflect on the journey that brought us here. What began as a vision has grown into a mission driven by Pain, Purpose, and Power.

Over the past five years, I've witnessed transformation within myself and the Women we serve. I've faced challenges that have tested my faith, knowing that God gave me this vision. Yet it was those small victories and the looks of gratitude from the Women that gave me the strength to keep going and build my faith in the process.

This milestone belongs to everyone who believes in ClothedNStrength, our Donors, our volunteers, our partners, and most importantly, the community that is at the heart of our mission.

As we look to the future, there is so much more to do, and with our Building, I'm more hopeful that we will achieve our mission using the same pillars that started it all. Faith, Hope, and Love.

ON THE 5TH ANNIVERSARY OF CLOTHED N STRENGTH, INC

Like a beautiful tapestry being woven with every thread carefully chosen, Clothed N Strength (CNS) enters its fifth year with a sense of excitement and anticipation for what the future holds. As we embark on this new chapter, I am filled with hope and enthusiasm for the next level of growth and service that awaits us, as we strive to uplift and empower women to not merely survive, but to truly thrive.

Reflecting on my journey with Tamika Williford, the visionary founder of CNS, I am reminded of the passion and dedication that ignited my own commitment to this cause. From an acquaintance to a trusted board member and eventually vice president, I have had the privilege of working hand in hand with Tamika and our board members to further our mission of empowering women of all ages to overcome obstacles on their path to success.

As the chair of the 2025 CNS Fashion Show Fundraiser it was challenging at times yet a fulfilling experience, as we rallied together to bring CNS one step closer to realizing our vision of creating a safe space for women in transition. Each supporter, each participant, each moment of joy and togetherness serves as a brick in the foundation of the Clothed N Strength building, solidifying our commitment to serving and uplifting women in transition.

To all who have played a part in this journey, whether through your contributions, your presence, your prayers, or your belief in our mission, I extend my deepest gratitude. Your support is the driving force behind our progress, and it is with great anticipation that I invite you to join us in celebrating the day when Clothed N Strength finally has a place to call home. Together, let us continue to build a brighter future for women of all ages!

VICE PRESIDENT**

KAIRA FISHER, SECRETARY AND HEAD OF MEDIA

I can't believe it's already been two years since I said "yes" to serving as Secretary on the Clothed N Strength board—it's honestly been one of the greatest honors of my life. What started as a spark in Tamika's heart turned into something so much bigger, and I feel lucky to be along for the ride.

It can be challenging, hearing women's stories and not being able to do enough

to get them out of their situation. During Clothed N' Strength's events and summer programs, seeing women and girls lit up with hope or telling us how much our work means to them, it reminds me why we do this. Those little moments of confidence regained, burdens lifted—are everything.

This celebration isn't just about Tamika or the board; it's about all of you—our donors, volunteers, partners, and especially every woman who trusted us with her story. You've shown up in faith, hope, and love, and that's what's built us.

Now, with our new building on the horizon, I'm so excited to see the vision become reality. We're about to open more doors (literally!) and welcome even more women into this circle of support. Thank you for sticking beside us, cheering us on, and believing in what we do. Here's to the next five years of lifting each other up and reminding each other we are clothed with strength and dignity.

REFLECTIONS

From The Board

ON THE 5TH ANNIVERSARY OF CLOTHED N STRENGTH, INC

Five years of Clothed N Strength has been 5 years of love, faith, community, collaboration, impact, laughter, tears, prayer, late nights, and so on. It's a vision manifested of a purpose assigned, that has inspired and changed the lives of many.

As the newest member of CNS but supporter since its birth, It was imperative that I come on board understanding that this isn't busy work or something to do. It's a mission to be fulfilled, an approach to a challenge our community of women are facing. It's an opportunity to pour but also an opportunity to be refilled.

The reciprocity that comes from genuine service is very necessary and very present with CNS. These women care and they pray but then they plan and pursue because they are truly (Clothed in Strength and Dignity).

Together Everyone Achieves More (TEAM).... Every event, outreach, volunteer, partnership, testimony, smile and tear has contributed to this milestone, making it all worth it. We are grateful for all of the intentional impact and involvement, the continuous support and the opportunity for Clothed N Strength to show up for you, for the community, for the women and youth who need and appreciate our mission.

CNS is not just the name of a non profit, it's a lifestyle. A sisterhood of vulnerability embraced, and barriers removed. We are committed to a future where hope lives. A future that includes a building that increases our impact and gets more women closer to the more equipped version of themselves. It's an exciting endeavor. This is our way forward... TOGETHER with CNS! THANK YOU

“*To whom much is given,
Much is required.*”

LUKE 12:24

Watching this process from a thought, to an idea, manifesting into a dream and a reality didn't come without a cost. What we are experiencing today is watching a visionary who took what life dealt her and decided to trust God's process including his timing and brought forth her vision.

She grabbed some other like minded people and here WE are. The road has not been easy or straight all the time. We have had our success as well as our failures. Today is the fruit of walking with God and hard work. Congratulations to CNS and to many more!!!
