SOUTH TWEED Heads was buzzing with energy earlier recently as the Tweed Heads Pickleball Club hosted its inaugural Club vs Club Fun Social Day at the Arkinstall Park Pickleball Courts.

The event brought together 70 enthusiastic players who smashed, lobbed, and volleyed through an incredible 160 games over just two hours!

Event organiser Tracey Boniface has kept The Weekly updated and said players came from as far south as Yamba and as far north as Nerang – proving that the love of pickleball knows no boundaries.

“The day featured teams from the “Paddles” and “Laughs” group facing off against the homegrown Tweed Heads Pickleball Club in matches ranging from novice-friendly rallies to high-level show-downs,” she said.

“Games of all levels from novice to advanced were played and enjoyed, followed by the opportunity to catch up with old friends and meet new ones in the true spirit that pickleball encompasses.”

With the smashing success of this first social day, the Tweed Heads Pickleball Club promises many more exciting events in 2026 – a perfect excuse to pick up a paddle, make new friends, and join the fast-growing pickleball craze.

The club welcomes players of all abilities, offering sessions throughout the week to suit every skill level:

Tuesday evening (6pm-8pm): Kings of the Court – intermediate and above

Wednesday evening (6pm-7:30pm): Drills and round robin – beginner to lower intermediate
