

Fisherbrand™ Controlled Environment Offering

Products, Services and Accessories for Controlled Environment Rooms

The Fisher Scientific team offers:

- A quick delivery furniture program with complete labs shipping within 14 business days*
- An extensive inventory of high quality furnishings & components
- Clear and easy project communication

Services include:

- Design, project management and factory trained installation

Controlled Environment Rooms can be complicated. Let the Fisherbrand™ Lab Furniture team guide you through the process and meet any challenges you may have along the way.

From stability chambers to cold and freezer rooms. We can reproduce any environment through a precise combination of humidity, temperature and light. Our experts are able to create the exact settings required using various sizes, shapes, refrigeration and control options.

Fisher Scientific™ brand is dedicated to providing comprehensive furniture solutions, on time & complete. We offer beautifully finished surfaces on a rugged, heavy duty, full frame cabinet construction.
