## FEBRUARY 2022

People of God,

Groundhogs are among nature's more adorable meteorologists. If they weren't so cute, perhaps we might spend more time wondering whether a prognosticating rodent really has the credentials to be a major figure in predicting whether spring is coming, or if winter will continue to drag on long after it has worn out its welcome.

Yet for as long as I can remember, each February we look to the humble groundhog for guidance, seeking a sign of hope that shorter nights and warmer days are just around the corner. Hope like that can keep us going, even when we reach our breaking point, or when trusting in hope seems foolish or silly (like trusting that Punxsutawney Phil will be 135 years old this year when the average lifespan of a groundhog is six years).

Yes, the whole Groundhog Day ritual seems strange if you think too hard about it, but the shadow of the rodent isn't as important as the hope of change that he embodies. Even when he does hide from his shadow, all but guaranteeing an extended winter, that moment comes with the hope that, within six weeks, the seasons will turn. New life will again sprout from the slumbering earth, and spring will bloom again.

Perhaps I pay more attention to groundhogs than most people, but I think we could use that kind of hope today. For two years, we've endured a long winter of COVID-19. There are days when it seems like the pandemic will never end, that omicron will see its shadow and we'll have six more weeks of pandemic shutdowns and physical distancing.

Yet despite all the challenges of living through a pandemic, we still have hope. Hope that the world can get better. Hope that this pandemic will end. Hope that, together, we can make it through tough times, even when it feels like we've hit our breaking point.

*(Pastor's message, continued)*

Read on in this issue of *Parish News* to learn about signs of hope among us. They include the blessing of new life in our congregation and the opportunity to participate in Immanuel's Annual Meeting, during which you'll hear how we will move forward into this new year of ministry.

We have many reasons for hope, chief among them that God is among us and within us, bringing new life to the world.

In Peace,  
Pastor Micah Sievenpiper

## WORSHIP IN PERSON OR ONLINE

As Christ welcomes us, we welcome all to worship, which begins at 9:30 a.m. each Sunday. All in-person services in the sanctuary also are streamed live on Immanuel's YouTube channel, <https://www.youtube.com/immanuelkansascity>.

Scripture readings during February continue to highlight unlikely people and circumstances that reveal God's glory and give fresh perspective on who might be "blessed ones." We are reminded that we, too, are blessed, and we are called to show God's glory.

**New this month:** If you participate via YouTube, you can view and download the worship bulletin and parish announcements for the day. Both are available in the new Bulletins and Parish Announcements section of Immanuel's website, which you'll find at <https://immanuelkc.org/bulletins-and-announcements>. You'll also find a link to them in the description below the YouTube video window when you log in on Sundays.

To limit health risk during worship or other events and activities at Immanuel, please:

- Do not attend if you have tested positive for COVID-19, have experienced COVID-like symptoms (e.g., fever, cough, sore throat, shortness of breath) or have had close contact with someone who has tested positive within the past 14 days.
- Wear a mask over your nose and mouth.
- Practice safe hygiene (e.g., coughing or sneezing into your elbow.)

# TOP 10 REASONS TO LOG IN TO IMMANUEL'S ANNUAL MEETING

Immanuel's 2022 Annual Meeting will be called to order at 11:30 a.m., Sunday, Feb. 13, via Zoom. Here are the **Top 10 Reasons to log in**.

**#9:** You'll get to **express gratitude** to outgoing congregation council members, committee chairs and other volunteers, and **applaud** the people who will replace them.

**#8:** You'll learn how carefully the Immanuel staff and congregation members **controlled expenses** during 2021.

**#7:** You'll hear the **grand total of financial donations** to Immanuel during 2021. (**Spoiler Alert: It's good news!**)

**#4:** You'll learn about Immanuel's **2021 benevolence giving to ministry partners** outside our walls.

**#3:** You'll hear about property projects that helped **Maintain and beautify our facility** during 2021, and learn about important repairs and maintenance on tap for 2022.

## CELEBRATE NEW LIFE AT IMMANUEL

Single roses on the altar during Jan. 16 and Jan. 30 worship services honored babies born into the Immanuel family during January.

**Graham Zabel Carey**, son of Mason and Kayla Carey, was born Jan. 12. Mason serves on the Congregation Council and Mutual Ministry Committee. Kayla is an active Steering Committee member.

**Winnie Sue Williams**, daughter of Cody and Samantha Williams, was born Jan. 17. Mom Samantha, grandmom Mindy Rash and aunt Amanda Rash are lifelong Immanuel members who have participated and served in many important ways. They all follow in the footsteps of great-grandparents Dick and Jackie Turner.

We thank God for the precious blessing of new life among us. We pray that God will bless the new parents, and that Graham and Winnie will come to know that they are deeply, wholly and forever loved – first by God and then by us.

## MEET PHILLIP COOPER, IMMANUEL'S NEW BUILDING SUPERINTENDENT

Phillip Cooper, our new building superintendent, joined the Immanuel staff Jan. 13. He is responsible for cleaning our building and setting up for events.

A Kansas City native, Phillip grew up in the 18th and Vine district and, while his parents and sister now live in Liberty and Parkville, he still loves living in the central city with his significant other, Rachel Morgan.

Phillip earned a bachelor's degree in criminal justice from Lincoln University and previously coordinated the alternative suspension program for the Kansas City, Missouri, Public Schools (KCPS). He then joined corporate America as a general manager for Jiffy Lube.

*(continued, next page)*

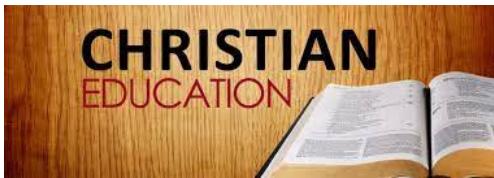

*(Meet Phillip Cooper, continued)*

Several years ago, kidney failure, dialysis and an eventual kidney transplant led Phillip to seek employment that offered more flexibility. During 2018, he joined the KCPS custodial team, a position he still holds today.

"I originally applied for the position at Immanuel because it parallels work in which I already have experience, and I really wanted to serve in a faith-based, friendly environment," he says. "I feel great positive energy here. Everyone is helpful, and happy to answer questions or offer guidance. I feel comfortable and welcome."

Phillip works variable hours at Immanuel, but you can contact him any time through the church office or by emailing [pcoopq@yahoo.com](mailto:pcoopq@yahoo.com).

## LEARNING OPPORTUNITIES CONTINUE FOR KIDS AND ADULTS

**Immanuel Sunday School** families receive lessons each week via email. Kids gather periodically after worship in Luther Hall, but families currently are a bit anxious about the COVID-19 omicron variant, so most learning

currently occurs through the lessons at home. Contact Suzanne Steffen, [suzannesteffen7@gmail.com](mailto:suzannesteffen7@gmail.com), with suggestions or questions.

**Adult Forum** begins 15 minutes after Sunday worship in Spong Common Room. Here's the Adult Forum schedule for February:

**Feb. 6** — Can We Talk About Guns?, a discussion led by Don Arney that draws on research resources, including the *Kansas City Star* series about gun violence

**Feb. 13** — No Adult Forum: Log in to the Annual Meeting, which will be called to order at 11:30 a.m. via Zoom

**Feb. 20** — Overview of major themes in the Gospel According to St. Luke

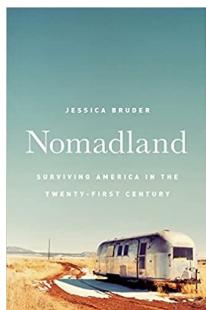

**Feb. 27** — How The Gospel According to Saint Luke Addresses Social Justice, a lectionary study for the week of Ash Wednesday

## PLEASE SIGN UP TO HOST COFFEE AND FELLOWSHIP TIME

Could you offer hospitality to your Immanuel friends by hosting coffee/fellowship time? It's an important time for gathering and conversation and, because Immanuel provides the coffee and treats, it's an easy way to serve. Please sign up on the bulletin board in the main sanctuary-level hallway or contact the church office, [office@immanuelkc.org](mailto:office@immanuelkc.org) or 816-931-8483, to volunteer.

## FRIENDS OF LITERATURE MEETS TO DISCUSS *NOMADLAND*

Friends of Literature will meet at 7:30 p.m., Thursday, Feb. 10, at the home of Don and Mary Arney to discuss *Nomadland: Surviving America in the Twenty-First Century*, by Jessica Bruder.

All are welcome! To request the Friends of Literature Zoom link if you can't attend in person, contact Don, 816-918-5371 or 22sora@gmail.com.

Bruder, an American journalist, chronicles the phenomenon of older Americans who, following the Great Recession from 2007 to 2009, adopted transient lifestyles as they traveled around the United States in desperate search of seasonal work. The book was made into a multi-award-winning film starring Frances McDormand.

## FEBRUARY WELCA STUDY REVIEWS GOVERNMENT 101 FOR FAITHFUL PEOPLE

A look at Government 101 for people of faith is on tap for the WELCA study and gathering, 1 p.m., Wednesday, Feb 16. Pastor Ann Rundquist, Immanuel ministry assistant and pastor at Gathering Table, will lead the discussion.

You can participate face-to-face in Spong Common Room or join via Zoom:

<https://us02web.zoom.us/j/5143355703>

Meeting ID: 514 335 5703

One tap mobile: +13017158592, 5143355703# US

Questions? Contact Pastor Ann, [pastorannrundquist@gmail.com](mailto:pastorannrundquist@gmail.com) or 785-643-7697.

## WHEN IT SNOWS, LET'S HELP PASTOR SHOVEL

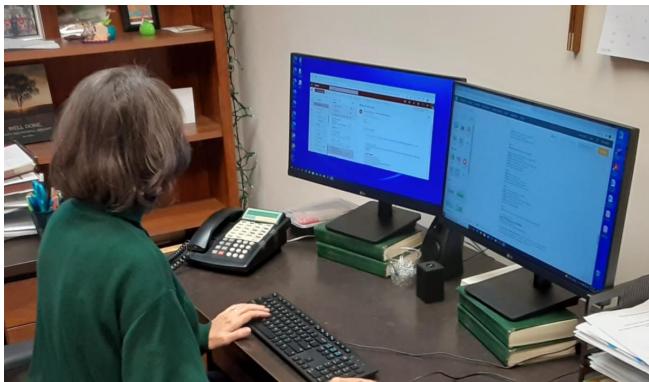

Because of a labor shortage, the company that clears snow from Immanuel's parking areas can't shovel our sidewalks.

The ongoing search for a company or individual who can shovel for Immanuel has not been successful so far, so please contact Linda at [office@immanuelkc.org](mailto:office@immanuelkc.org) or 816-931-8483 if you know of a company or individual who could help.

In the meantime, Pastor Micah has volunteered to shovel, and he would appreciate your help. The next time snow is on the ground on a Sunday morning and if you are able, grab your shovel and join him at 8:45 a.m. to clear the way to Immanuel's entrances.

## NEW COMPUTERS ADD EFFICIENCY, SECURITY TO CHURCH OPERATIONS

Following more than a year of planning, budgeting and evaluating, four new computers and a new network drive were installed in the church office last month.

The new computers replace the old laptop that had been used by Pastor Micah, as well as the desktop systems in the ministry assistant office, administrative assistant office

and at the reception desk. The new network drive, a first for Immanuel, ensures that files designated for use by more than one of Immanuel's computer users will remain visible even when one or more of the computers is turned off.

In addition to the new hardware, new software already is increasing efficiency and security, and comes with a full slate of new passwords.

The old system that had been in the administrative assistant office now is available in Office 2 (formerly the Learning, Youth and Family office), where it can be used as necessary, especially during the transition to the new equipment.

## NEWS FROM YOUR CONGREGATION COUNCIL

**Brian Thomas and Jean Nuernberger led a discussion about the proposed 2022 budget for ministry.** The budget will be presented to the congregation during the Jan. 30 Adult Forum and during the Annual Meeting. The Council thanked the members of the Finance Committee for their hard work and for creating an easily understood budget document.

**Terry Kueker gave an update about Immanuel's boiler system.** The circulation pump that provides heat to roughly half of the church, excluding the Luther Hall addition, recently required repair. The repair technician discovered that the boiler is showing signs of future failure, and we were advised to consider replacing it during warm-weather months so as to avoid an outage during next year's winter. Design Mechanical, Inc., will provide replacement cost estimates. Boiler replacement will be an item of discussion during the Feb. 13 Annual Meeting.

*(continued, next page)*

*(News from Congregation Council, continued)*

**Although year-end financial numbers are not yet available, Rick Sundell reported that, due to multiple special gifts and revenue appeals, we may end the year with as much as a \$130,000 revenue surplus, from which Immanuel would designate a 10 percent tithe.** Following discussion, Council suggested that half of the tithe be applied to the necessary upkeep of the church so that we can continue to offer our facility for use by external organizations that serve the community in multiple ways. The Social Ministry Committee will determine how to distribute the remaining 50 percent of the tithe.

**Purple Dragon Daycare proposed amending its existing lease with Immanuel to include a two-year extension while all other lease conditions remain the same.** Following discussion, the Council approved extending the lease agreement through July 2024. The lease document will receive a legal review and then be signed.
