

PARISH NEWS

I always welcome the coming of Fall. There's something inherently refreshing cool, brisk breeze and a steaming cup of hot apple cider. The turning of the seasons draws us into the cosmic dance of creation, as the earth

revolves around the sun. Likewise, our lectionary takes an apocalyptic turn, readying us for the end of the year and the coming winter slumber of the natural world around us. Fall is a liminal season, a time between times, marked by change more than perhaps anything else.

As the old adage goes, change is inevitable, but it depends upon us to make sure the world changes for the better. We're at a liminal moment in our world right now, a fork in the road of history. We're facing an important choice of what we want the future to look like. Do we want to do the hard work of making sure future generations have a world better than our own, or do we want to ignore the problems in front of us, and do nothing?

PASTOR'S BOOKSHELF:
THE AUTOBIOGRAPHY OF MALCOLM X
AS TOLD BY ALEX HALEY

Because we are faced with monumental challenges, right now. From climate change to nascent fascism, problems that are centuries in the making are reaching a tipping point. The world will be a very different place in just a few short years, and we, who have been called as stewards of God's creation, are tasked with ensuring it changes for the better.

This is sacred work, continuing the same ministry begun by Jesus Christ that promised freedom to the oppressed, healing to the afflicted, and good news to all people.

Siblings in Christ, we are mighty. We have been filled with the Holy Spirit, empowered and equipped to change the world. So let's get to work.

STEWARDSHIP IN A TIME OF PANDEMIC

First of all, let me thank you, members of Immanuel, for your continued financial support and commitment of time, prayers, and talent during this very challenging year. Your steadfastness demonstrates hope, the hope in God in Jesus Christ. God's faithfulness provides us with confidence that God's purposes will be fulfilled. One Bible verse that

comes to mind is Hebrews 10:23: *Let us hold fast to the confession of our hope without wavering, for he who has promised is faithful.*

Earlier this year we closed our doors. It was an agonizing decision but made with the hope that doing so would protect the health and welfare of our members, staff and clergy, and visitors. And while we have adapted through use of technology, offering worship services on YouTube, gatherings by Zoom, and weekly announcements by constant contact, none of these methods satisfy our hunger for the kind of relationship-building and spiritual nourishment we get from meeting and greeting one another, catching up on each other's lives, praying together, communing together, and participating in the life and mission of Immanuel in-person. But, we make do, confident in the faithfulness of our Lord and Savior Jesus Christ.

Stewardship this year can be as simple as staying home and staying in touch remotely. Staying at home is not only about protecting yourself, it's about caring for others. Immanuel cares for others in many ways. Here are but a few. One new ministry that was started this year fills me with gratitude for our church community. Called tele-ministry, twenty-two members are contacting members by phone, emails, texts, and/or cards to check in, hear how people are doing, learn of needs Immanuel can help with, and to pray together. The needs are communicated to Pastor Sievenpiper and Ministry Assistant Rundquist for follow-up, and the prayer requests are turned over to the Prayer Team. Of course, there is nothing to stop any of us from praying for our families and friends, first responders, government leaders, and those in need. Many of us do. The list is endless.

Immanuel shows care by loving our neighbors outside our walls through social ministry efforts in the community, e.g., MLM, the Gathering Table, etc. and advocacy for racial equity and social justice. Ministry continues at Immanuel despite social isolation and sheltering-in-place.

Soon you will be invited to contribute your resources of money, time, talents and prayers so Immanuel can continue to glorify God and love our neighbors. Your support makes it possible to be the best church we can be, inviting others to make our church their church! Each week we have visitors watch our worship services and, with the upgrades Pastor is installing, we will expand and improve our digital presence. Recently, we expanded our presence on Westport Road by installing a large “All are Welcome” banner that communicates our inclusivity and provides a link to our on-line worship service.

Sometime this November you will receive a letter from Pastor Sievenpiper, including a commitment card to complete and return to the office. We use this information to prepare the 2021 annual budget and to establish ministry priorities. We can't be our “best” church without your continued support and involvement.

Lastly, take heart that we are all in this experience together and we will get through it as a community that lives in the hope of God in Jesus Christ!

President

COUNCIL HIGHLIGHTS

Highlights of the October 20, 2020, Council Meeting

- Pastor has received a request from Youth Works (YW) concerning our ability to participate in the 2021 season. In discussion the Council was of the opinion to participate pending COVID-19 conditions next summer. It was agreed that Pastor will discuss the YW request with the COVID-19 advisory committee, and pending any identified objections advise YW that we would host as long as there were no ongoing COVID-19 concerns next summer.
- United Missouri Bank has advised that the Federal Government has finally released a process to seek loan forgiveness for the Payroll Protection Plan (PPP) loan we received. Treasurer Kathy Linder and Kate Hauber will work with the Bank and Miller Accounting to comply with the PPP process.
- The Property Committee is arranging to have some needed tree trimming performed on the Genesee House and the area over the playground. They are also addressing some repair work needed on the Genesee roof, and the canopy over the office windows along Bell Street.
- There was discussion about surveilling our church building, equipment, appliances, property weekly to ensure good maintenance and the health, safety of the Purple Dragon Day Care children and staff.

HOLY COMMUNION AT IMMANUEL

We are offering service of Holy Communion at Immanuel's back parking lot. Group sizes will need to be limited, to allow for distance between us, so please sign up for a spot ahead of time by clicking this link: <https://reopen.church/r/sRh0T9Ql>.

We're doing our best to mitigate the risk of gathering, and when we come together in these days of pandemic, there is a risk of spreading COVID-19. To help us limit that risk, we ask that you to keep the following in mind:

- Please do not attend if you:
 - have tested positive for COVID-19, and have had any symptoms within the last 14 days
 - have had COVID-like symptoms (e.g., fever, cough, sore throat, shortness of breath, etc.) within the last 72 hours
 - have had close contact with someone who has tested positive within the last 14 days
- Masks must be worn over your nose and mouth
- Please practice physical distancing, keeping 10 feet of separation from other people (aside from family members)
- Please practice safe hygiene while among other people (e.g., coughing and sneezing into your elbow)
- Bathrooms will not be available for use, as the church building will not be open
- Please do not attend if you have not registered.

Kansas City, MO 64111

Dear Members of Immanuel Lutheran,

The continued interest, involvement and financial support that your organization has given to Hollis Renewal Center are vitally important. As a Friend of Hollis congregation, you are partners with many other groups and individuals as you steward this beautiful place. We gratefully acknowledge your generous gift of \$500.00, recorded on September 08, 2020. It makes a substantial difference to have this kind of support. Thank you!

Please lift Hollis up in your prayers. In partnership with you and other congregations, we are able to offer Hollis as a renewable resource for the Kansas City area. We encourage the members of Immanuel Lutheran to make use of the resources Hollis offers. Consider a time in the future when you use Hollis for a staff or small group retreat, church picnic or a creative outdoor program.

I am available to assist your congregation either with an education program on Sunday morning or as a guest preacher. Please call if I can be a resource to your congregation's ministry.

God's blessings this Season of Advent,

Dave Mareske
Executive Director

VIRTUAL HYMN CHOIR

Do you like to sing hymns?

Are you looking for a way to contribute to Sunday morning worship services in this time of social distancing? I am looking for more people to contribute to weekly Virtual Hymn Choirs. You do not need to be a regular member of the Immanuel Choir to sing!

If you are interested, you will need the following:

1. A willing spirit, a voice and the ability to sing rhythmically.
2. Wired headphones (even earbuds work well) and a device - phone, tablet, computer, etc. - to listen to a guide track on
3. Another device to record with

If you are at all interested, I would urge you to give it a try! For more information and instructions, please contact Suzanne Anderson at suzanneandersonilc@gmail.com

ALLELUIA AND THE ARTS

Alleluia and the Arts will take place November 8th and 22nd as well as every Sunday in Advent beginning November 29th. All Sunday School families are invited to join us at 10 AM, as Megan Sawyer leads us in music and song. It will be informal and won't run too long.

HEART OF AMERICA CROP WALK

Shortly after 10 AM, on Saturday, October 10, 2020, Immanuel's CropWalk team (Karen Bame and Rick Sundell) started their walk to raise funds to fight hunger in Kansas City and around the world. This is Karen's 31st consecutive year walking in the Kansas City - Heart of America (HOA) CROP Hunger Walk, and Rick has walked most of those 31 years as well. When they started their walk, Karen's Fitbit showed she had already taken 817 steps that morning.

They started their walk from their home (blue dot on the map), and walked for about 2 hours through their Armour Hills and Brookside neighborhoods. Along the way, they made a stop at the Brookside Post Office, where they mailed the CWS/CROP checks they received to the Heart of America CropWalk treasurer, and again at McLain's Bakery to get a pumpkin muffin and a cinnamon roll. By the time they returned home, Karen's fitbit showed she had walked 10,549 steps for CROP!

As of Wednesday, Oct. 14, Immanuel's CropWalk team has raised \$2281.00 towards our \$3100 goal! Thank you to everyone who has contributed to help fight hunger.

It is not too late to donate – just go to

<https://www.crophungerwalk.org/kansascitymo/>, click on donate and search for Immanuel Lutheran KC ELCA, Karen Bame or Rick Sundell, and make an on-line donation. The monies raised by the HOA CROP Hunger Walk will be used to fund global projects that include 1) food security and nutrition, 2) water, sanitation and hygiene, 3) refugee protection and resettlement, and 4) disaster preparedness and response, as well as agencies in Kansas City that help feed and shelter folks in our community.
