

ENGINE OILS

10W-40 SM/CI4

Performance Features

- Premium soot and sludge handling, oxidation stability.
- Strong diesel detergency for high level piston cleanliness and extended drain capability. Long drain intervals
- Superior wear and bearing corrosion, giving maximum engine protection

Application Recommendation

Premium heavy duty diesel engine oil, which surpasses the requirements of high performance API Ci4 specifications. Designed to meet the requirements of the following specifications: API Ci4,

Oil technology at its best

Supporting performance, not just as a lubricant.

Stability in liquid engineering
