

Product specifications/Data sheet

MULTIPURPOSE GREASE— CALCIUM SULFONATE COMPLEX GREASE

HEAVY DUTY GENERAL PURPOSE GREASE

DATE OF SALE

Performance Features

- Excellent water resistance, No grease loss
- Low grease lose under load, Good load bearing
- Prolonged component life, Good lubrication.

TIME OF SALE

*Describe your location by
landmark or area of town.*

Application Recommendation

General purpose grease, suitable for mechanical and industrial application. NLGI 1-2 allows grease better fluidity, good for grease guns or mechanical dispensers. Calcium sulfonate Complex thickner makes the grease excellent in water conditions. A general purpose grease can be used on most applications where a NLGI.2-CS grease is required.

Oil technology at its best

*Supporting performance, not just as a
lubricant.*

Stability in liquid engineering

PRODUCT WARRANTY

Industrial lubricants are formulated to meet or exceed industrial specifications and carries a warranty. The purchaser /end user is responsible for determining if these specifications are adequate and proper for the intended application. The warranty is limited to lubricant performance consistent with indicated specifications. No additional warranty, expressed or implied can be made.
