Dear Patients,

It has been my honor and pleasure to serve my hometown and the Mon Valley Community, and beyond, for the past 18 years as a chiropractor. I have watched families grow, have been there during times of heartache and pain, and have shared in many joyous moments and healing experiences with thousands of patients. Helping people with their healthcare needs at ZFC has been a highlight of my life, but it has come time to close Zdilla Family Chiropractic and leave private practice. Many factors contributed to this difficult decision.

My wife Amy and I are taking steps toward rewiring our lives from the inside out. We are rewriting what we define as health and success and doing it in a way that aligns with our values. We will continue to live our mission of healthcare in new and exciting ways. We have opened Health Rewired LLC. Through one-on-one virtual health coaching services, we will help clients rewire their health by making simple changes with a fresh perspective. We invite you to learn more about our new business by visiting [healthrewired.com](http://healthrewired.com) and following us on [Instagram](#) and [Facebook](#).

The details of the closure of Zdilla Family Chiropractic are as follows: The practice will officially close on December 23, 2021. Lipo-Light services will also be discontinued on December 23, 2021. It is very important you continue to receive chiropractic care. Your patient records will be transferred to Dr. Robert Klanchar, who has practices at 1735 Rostraver Road, Belle Vernon PA, 15012 (724.929.8353) and 400 Liberty Street, Perryopolis PA, 15473 (724.736.8353). He is an outstanding, knowledgeable, and respected Doctor of Chiropractic. I offer Dr. Klanchar my highest professional recommendation. Please note that as of January 1, 2022, your medical records will be safely secured at 1735 Rostraver Road, Belle Vernon PA, 15012, as per state law. You have the option of continuing your chiropractic care with Dr. Klanchar or another chiropractor of your choice. If you wish to have a copy of your records sent to another chiropractor of your choice, you can follow the traditional routes by stopping in to Zdilla Family Chiropractic by December 15, 2021, to have your records transferred.
