

# Mount Calvary Preschool News

We will be opening enrollment for Preschool for the fall 2020 in March for all our current families. We open it to you first so that you have a spot in the fall before we open it to the public in April. We will also open our summer program to our current families first before we open it to the public in April. I know it seems early to be thinking about it but this is a good way to secure your place in our fall Preschool/childcare programs. If you have any questions please let us know.

We will not be having our field trip to Jorgi's bakery on March 12&13<sup>th</sup> as they have closed the store. We are trying to get a fire truck and smoke house to come in but have not firmed up the dates yet. I will let you know as soon as I can.

## A Look at our Month

This month we will be studying Dr. Seuss for the first week in March. The rest of the month we will be studying Spring.

We will not be having Vision or Hearing test done for our kiddos going into Kindergarten this year. They could not get out to see our kids until May this year. So when you make your registration visit please make sure to schedule an appointment with them for hearing and vision.

Graduation Pictures are for those students going into DK/ Kindergarten in the fall. They do not need to wear anything special as they will have their cap and gown on for the picture. Please no ponytails in your child's hair as the caps do not fit with ponytails. We will take pictures in the morning starting at 9:30am. If your child will not be here that day please let me know.

## Handwriting

Our letters this month are R,K,A and V.

The sight word for 5's class is And.
