

# Mount Calvary Preschool News

## OUTSIDE TIME

We go outside everyday at 10:30 am, 2pm and 4pm. All children will need to have closed toe shoes to keep them safe on the playground. You are welcome to leave a pair of tennis shoes in your child's cubbie for them to change into.

## Snack Time

Your child will need a snack for each class that they attend. If your child is in childcare they will need a snack for every day that they are here during preschool hours. If your child is in morning class and afternoon class they will need a snack for both classes. You can bring in snack daily or you can put a bunch in a ziplock baggie and bring this in. Please label all their snack with their name.

## A Look at our Month

Welcome to Preschool. I am so excited to start this new year with all of you. Our school year starts on September 9<sup>th</sup> at 9 am. We have our Teacher Meet and Greet on September 8<sup>th</sup> where parents and children are welcome and encouraged to come to see us from 9-11:30 am. This is a great time to meet the staff, drop off paperwork, class supplies, see where cubbies and coat hooks are. It is also a great time to play and see the classroom with parents at the children's side. This will help with the first days of school and dropping off your child for the first time. This helps the children feel excited about coming to school.

For the month of September we will be working on learning on the study All About Me. We will be learning about all of our students. We will be learning the expectations of the classroom and playground.

## Meal Time

### Prayer

Oh the Lord is good to me  
And so I thank the Lord  
For giving me  
The things I need  
The sun and the rain and the apple seed  
The Lord is good to me  
Amen

## Class Supplies

Masks (2)  
Water Bottle. Child size. We will refill if needed.( this will go home daily)  
Pencil Box with closing lid.  
4 glue sticks  
Dry Erase Markers (thin)  
2 packs washable markers (Crayola)  
White 8 1/2 by 11 in ream of paper.

## Masks

**We get to wear some cool masks in Preschool this year. I can't wait to see everyone's mask. Please practice with your child putting on their masks and taking them off. Have them practice a little bit each day wearing their masks to help them get use to them. Watching T.V. or Tablets is a great time to have them practice. If you can please send in two(2) masks each day. We have discovered that sometimes the masks break or the children soak them. This way we can switch them out for the kids. If your child is having a hard time wearing them that is ok. With everyone wearing them at school they will grow use to wearing them too. Try to pick out ones that they think are cool. We will not be wearing them outside, for nap/rest, or during snack/lunch time. I will be giving them many mask breaks during the day.**
