

Mount Calvary Preschool News

Hello November.

Thanksgiving Feast

On Nov. 18th at 10:30 am we will have our Thanksgiving Feast. We will have a sign up sheet on our Parent Board for you. We ask that every family sign up to bring something to the feast. This is for all our children and their families. We ask that the food comes in at 10:15 am cooked, cut up, and ready to serve. This is a great time show the kids what Thanksgiving is by having all of our friends and school family together.

A Look at our Month

For the Month of November we will be studying Family, Traditions, and Thanksgiving.

In Literacy we are continuing working on our nursery rhymes, beginning sounds, ending sounds, segmenting words, and deleting sounds out of words. We are working on know all of our letter sounds and names.

In Math we are continuing working on counting to 20, counting objects to 10, knowing what number we end on is the number of objects that we have.

In Social and emotional we are working on taking turns, following limits and expectations.

Handwriting without Tears

This is the writing program that we use for helping your child learn the proper formation of letters. We will be working on writing in Upper case in morning class and lower case in afternoon class. Our letters this month are I,U, C, and O.
