

# Mount Calvary Preschool News

With winter here please keep in mind that if Greenville Public School closes then there is no preschool that day. If there is no Preschool or the center closes I send out an email, a remind text, on WZZM 13, and Facebook. As the weather gets bad please keep an eye on these areas to see if we have school.

We are looking for donations of things that we need for the classroom.  
Dry Erase Markers  
Coloring Books  
Stickers  
Pom Poms  
Washable Markers  
White Copy Paper  
Construction Paper  
Glue Sticks  
Scissors  
Wiggle Eyes

## A Look at our Month

Yay we are all back from Christmas Break. I hope everyone had a restful time with your families. I know our teachers are excited to be back.

We have new carpet in the center. We would like to keep it looking nice. You can help us do this by sending in shoes for your child each day. This way we are not wearing wet boots in the classroom. You are more than welcome to leave shoes/slippers here for your child. If you are doing this please let us know so we can get in the habit of leaving them in their cubbies.

Our study this month will be Winter. We will be talking about hibernation, migration, and how animals live in the winter here in Michigan.

We will continue working on our Phonics with rhyming, first and last sounds of our words, blending, names and sounds of letters. In the 5's program we will start with sight words. We start with one word every couple of weeks. This way we can really learn them. We just introduce them and it is ok if they don't learn them all.

In Math we will continue working on counting, connecting numerals with their quantities, patterning, and sorting objects.

### Handwriting

Our letters this month are Cc, Oo, Qq, and Gg.

The sight word for 5's class is The.

We go outside everyday so your child will need warm snow gear. Please do not send in Knit Gloves. They get wet within 3 mins and the kids hands turn red and cold. The kids also need a separate Meijer bag for their snow gear as this makes it easier to pack their stuff into and it leaves room in their backpack for items in their cubbies.

### Up Coming Events

**Jan 3<sup>rd</sup> Class starts again.**

**Jan. 18 Early release at 11:15 am. No Pm class.**

**Jan 27<sup>th</sup> No Class today as long as we have snow, we will have a sledding field trip at Blackfield Hill. Across from the Greenville Public Library. We will meet at 10 am at the hill. Bring your own sled and snow gear. If your child is enrolled in Childcare for that day we will transport them to and from the field. IF we do not have enough snow or it is too cold we will have regular class this day.**
