A Message from the President

Summer sure is going fast! Soon, the lake will appear much larger as our boats, docks and rafts are removed and the lake toys are put up for another season. There is something to be said for the change in the seasons and the beauty of our lake shore.

We are having a great year so far with minimal issues or complaints. Everyone is doing a great job with storm clean up. Hopefully we can get together this fall and help some members who don't have the means to get it done.

The board met a few weeks ago, with one more meeting to finalize the agenda before our annual association meeting. We hope to see as many members as possible at the fall meeting.

Board Update: we have accepted the resignation of Nancy Stock and would like to thank her for her contribution to the LBLA board. To fill that vacancy, the board appointed Bruce Hillier to fill this position. Bruce returning to the board is an asset to our community. The remaining board members including Bruce, have agreed to stay on for another year. If anyone is interested in running, please reach out to Alex Keesling by August 15th. We will vote on the board approval at the fall meeting.

Some other items on the agenda: update on the roads and access lots, dumpsters, and dues payments. Please note, dues invoices are currently being sent out.

NOTE: Road grading is scheduled tentatively for next week. Brining is scheduled for the following week, provided the grading is finished. They need rain prior to both for grading and brining to be effect.

Thank you and enjoy the rest of the summer!

Brian Parros

Just A Reminder...

- Dumpsters are for household trash bags only! Please see our website for other locations that accept larger items or for recycling information.
- The speed limit on ALL roads is 15 MPH.
- All dogs must always be on a leash when not on your property.
