I, \_\_\_\_\_ (*print name*) have read, understand and agree to the following:

1. The quilt must have been completed in the last five years and never entered in a show before.
2. The quilt must have a top, middle (batting), and a backing sewn together (not tied).
3. The quilt should have a four-inch sleeve casing attached to the top back of the quilt, used for hanging the quilts.
4. The quilt does have a label with my name and phone number secured to the bottom back of the quilt. I will NOT use paper labels. I will NOT use straight pins. The label will be covered up with either a piece of fabric or painters' tape for the quilt show.
5. The quilt will be contained in its own fabric bag the size of a standard pillowcase, marked with my name and phone number. Any special handling instructions are on the outside of the bag at the opening of the bag.
6. The quilt must remain in the quilt show until after the end of the quilt show on Saturday, 5/3/25. Quilts may be picked up on the porch of the PPS Frink Gym after 2:45 pm CST Saturday, 5/3/25. If I cannot pick up my quilt at that time, I understand that my quilt will be held in the PPS office until I am able to pick it up.
7. I must have the slip of paper with my quilt show number that will be given to me when I register my quilt to pick up my quilt. If someone else picks up my quilt in my place, he/she must have the slip of paper with my number.
