

Build Wealth to Serve, Not to Show Off

Problem:

Many chase riches for status, but wealth without purpose leads to emptiness. True success is stewardship, not showing off.

Bible Verse:

“Command them to do good, to be rich in good deeds, and to be generous and willing to share.” — *1 Timothy 6:18*

Action Steps:

1. Set your heart on **impact, not image**.
2. Use wealth to **bless others and fund God’s work**.
3. Remember — you don’t own it, you manage it for Him.
