THE BOY WHO WANTED TO BE A DANCER

The Boy Who Wanted to be a Dancer.

This children's book is a story about a boy named Bobby. He decides to listen to his heart and not the taunts of other children. He discovers that he is able to inspire others to listen to their own hearts and follow their own dreams. This is a great book to read to children to promote self-esteem, tolerance and respect towards others.

The Hair-Raising Adventures of Jayms Blonde

The Hair-Raising Adventures of Jayms Blonde is a naughty, sexy, comical book about a hair dresser / secret agent fighting crime to save the environment without messing up his hair. There is only one thing Jayms loves more than crime fighting - that is having sex and a lot of it. It's a very entertaining book that will keep you laughing. 18 illustrations.
