Gay secret agent: 'The Hair-raising Adventures of Jayms Blonde'

Robert W. Cabell sent us the jacket of his new gay comic book, *The Hair-Raising Adventures of Jayms Blonde*. Editorial reviews and celeb endorsements from Amazon.com: **Ambushmag.com, Book Beat, Brad Benedict, August 28, 2007**

The Hair-Raising Adventures of Jayms Blonde is hilarious, sexy, and definitely a joy to read. He is a hairdresser by trade and a secret agent by choice. It is outrageous, but it is fun to read.

Book Description

"Green is the new pink" now that sexy gay crusader Jayms Blonde, heats up the battle for global warming in PROJECT POPCORN, the first novel of THE HAIR-RAISING ADVENTURES OF JAYMS BLONDE. Welcome to the world of environmental espionage and meet Jayms Blonde. A hairdresser by trade and a secret agent by choice, Jayms Blonde and his faithful pedicurist Precious Needmoore, lead the fight to save the planet from bad hair and bad air. Armed with bulletproof-mousse, Uzi blow-dryers, and hair-curler-hand-grenades, they rescue the dude-in-distress, and make saving the earth look fabulous. When a hairdresser turns hero, "wash and blow" has a whole new meaning, because when Jayms Blonde kicks ass, it's foreplay!
