As far as I know, I have not had contact with an infected person.

I agree with the precautionary measures taken by the tattooist and will follow them.

I am aware that despite all precautionary measures, a minimal residual risk of Corona infection is possible.

I hereby authorise Coralie Cabibbo to ink my tattoo in the knowledge that this will be carried out under the strictest and most prescriptive conditions (in accordance with the FOPH/BLV guidelines for tattooing, PMU piercing and related practices). In the event of complications arising at a later date, I waive any legal action against Coralie Cabibbo. I am aware that the tattoo requires a healing process of two to four weeks, as well as special aftercare, and will permanently alter my appearance. I am at least 18 years old or have the written consent of my legal guardian. With my signature, I transfer to Coralie Cabibbo the rights to use the photos that are taken of my tattoo.
