

easyconnect

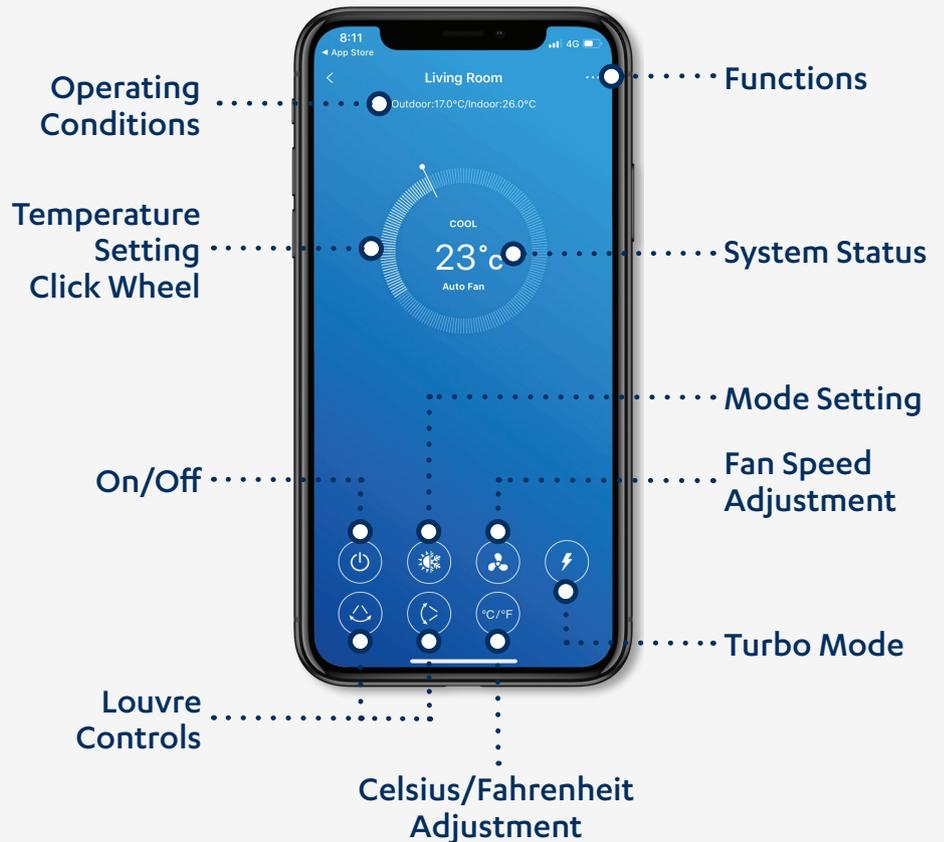

The easy comfort connection.

ActronAir's all-new Easy Connect mobile app is the perfect control companion, making it easier than ever for you to connect with comfort from anywhere.

Available on our Serene wall hung split systems, Easy Connect is simple to use, with an intuitive design featuring a unique click wheel function that makes setting your temperature a breeze.

And because you can connect up to 5 units to the one account, Easy Connect is perfect for homes with more than one system.

Connect to comfort in 4 easy steps

1

Download the mobile app

2

Connect the supplied USB wi-fi dongle to the indoor unit

3

Follow the app's simple instructions to create your account

4

Login and follow the simple step-by-step selection & setup guide
