### **◆ Qualifications & Requirements**

#### **1. Geo Technician (3 Positions)**

- Diploma in Geotechnical/Geological Engineering.
- Experience in soil & rock testing, sampling, and lab analysis.
- Proficiency with geotechnical software and field equipment.
- Strong analytical and problem-solving skills.

#### **2. Geologists (1 Position)**

- Bachelor's Degree in Geology or Earth Sciences.
- Minimum 2 years' experience in mapping, exploration, or mining.
- Familiarity with geological software (ArcGIS).
- Strong data interpretation & reporting skills.
- Ability to work in remote field environments.

### **3. Safety Officers (2 Positions)**

- Bachelor's Degree or Diploma in Occupational Health & Safety / Environmental Science.
- Certification in workplace safety (e.g., NEBOSH, IOSH) is an added advantage.
- Experience in safety training, risk assessments & incident investigations.
- Knowledge of Tanzanian OHS regulations.
- Good communication & leadership skills.

### **4. Environment Officer (1 Position)**

- Bachelor's Degree in Environmental Science, Environmental Engineering, or Natural Resources Management.
- Experience in Environmental Impact Assessments (EIA) & compliance monitoring.
- Familiarity with environmental laws and standards.
- Strong project management & reporting skills.
- Ability to promote sustainability within operations.

### **5. Rigger (1 Position)**

- Diploma/Certificate in Rigging or related technical field.
- At least 2 years' experience in rigging, lifting operations, and crane signaling.
- Knowledge of safe rigging practices and lifting equipment.
- Physically fit with strong attention to safety.
- Certification in rigging & lifting operations will be an added advantage.

### **6. Shaft Timberman (1 Position)**

- Certificate or proven experience in Shaft Timbering, Shaft Sinking, or Underground Mining.
- At least 2 years' experience in shaft support, timbering, and underground construction.
- Ability to work in confined and deep mining environments.
- Strong knowledge of underground safety standards and procedures.
- Physically fit with strong teamwork and problem-solving skills.

### **7. Clinical officer (2 Positions)**

- Diploma in Clinical Medicine and Surgery (or Clinical Medicine and Community Health) from a recognized institution.
- Registration with the Medical Council of Tanganyika and possession of a valid practicing license.
- Preferably with at least one to two years of work experience in a clinical setting.
- Proficiency in both English and Swahili — verbal and written.
- Strong interpersonal skills and ability to work under minimal supervision.
