*A Peek Inside*

**A**s parents or progenitors, we pray and earnestly trust in God that our children will excel in life, and much more live a life that will not bring the family name into disrepute.

Taking a cue from our patriarch in the Scriptures Jacob in Genesis 49: 1-27 who prayed for his children, God expects us to declare and make proclamations that will bring blessings upon our children and children's children.

Grandma's Daily Declarations is a prayer manual based on Scriptures (The Word of God) as inspired by the Holy Spirit for use by grandmothers to pray for their grandchildren as they trust in God to answer and make the life of the generations born and yet unborn be a

proof of God's goodness and mercy and also worthy of emulation.

All Scriptures used in this Daily Declarations are taken from different versions of the Bible.
