Linked Will

A Peek Inside

Idiara's Submission.

Our wills are linked. You insisted on getting married to me. I tried to make indwelling in the mansion a reality. I adopted all methods; I failed woefully.

You are nobler than me. You kept yourself. I struggled to make it happen and I created problems for myself.

Then, my Maker's will linked with my will. I am today what He wills.

Shaped by ambition and the relentless pursuit of a luxurious lifestyle, Idiara did not ask the visioner to explain the process of her achieving the vision she had received.

Off she went plotting and scheming her way to living in a mansion she had seen in

a dream thus plaguing herself with many sorrows. The breakthrough came when she backed down and allowed the dream to come through by faith as orchestrated.
