A Peek Inside

This is the story of a couple that grew up together. The young girl, Oluranti; the daughter of a very wealthy trader prevailed on her mother to help her friend Olawamiri in paying his school fees. Oluranti's mother assisted Wamiri and ensured that her daughter got married to him after their graduation. She also made him run her business and after her demise bequeath all she had to him.

Few years into the marriage, Olawamiri now Chief Owoponle began to play around with different women (his friend's and wife's friend not exempted). He got married to some of them claiming he was only appreciating and assisting them. Despite all, he kept reiterating his unflinching commitment to his marriage and the wife of his youth.

He caught wind of his wife's plan to eliminate him but was not deterred. Rather,

he continued his escapades. This became the topic of discussion and the two-sided coin of men and women about relationships issues were brought to the fore in the book.
