

The No-Brainer Offer for Specialty Practice Growth

*Healthcare specialty practices in Charlotte (Dentistry, Dermatology, Eye Care, Pediatrics, Internal Medicine, and more) - **eliminate financial guesswork so you can grow profitably and focus on patients.***

Dream Outcome (What You Want)

- Expand facilities and/or add equipment with confidence it will pay back
- Predictable cash flow despite Medicare/Medicaid/insurer delays
- Audit-ready, bank-ready financials for growth or partnership
- Freedom to focus on medicine, not spreadsheets

Obstacles Holding You Back

- High capital expenditure (CapEx) costs with no return on investment (ROI) roadmap
- Reimbursement delays and payer complexity
- Overloaded providers doing finance/accounting work
- Data overload from EMR/billing systems with no insights

Our No-Brainer Solution

- CapEx ROI Models & Business Plans → Know payback before you invest
- Revenue Cycle Optimization → Faster collections, higher margins
- Audit & Compliance → Clean, bank or partner-ready financials
- Actionable Dashboards → Only the key performance indicators (KPIs) you need
- Strategic CFO Partner → You treat patients, we manage the numbers

Why This Works (Likelihood of Success)

- 30+ years combined accounting & finance experience
- Proven results: successful expansions, faster closing, 20%+ cost savings, clean audits
- Fortune 100, Big Tech & private company expertise applied to your practice

Fast & Effortless for You

- 3–5 opportunities uncovered in your free Financial Health Check
- Dashboards live in weeks, not months
- Minimal lift from your staff - we integrate with your existing systems
- Fast response to questions or concerns
