

Howard C. Ruddock, MBA, CMA, CSCA

Global Finance & Strategy Leader | Co-Founder, Valley FinServ

Howard brings more than 15 years of experience driving financial performance, strategy, and growth in Fortune 100 companies, Big Tech, and entrepreneurial ventures. His career includes leadership roles at Amazon Web Services and Charter Communications, where he guided billion-dollar investment decisions, streamlined financial processes, and delivered millions in cost savings.

As Global Director of Finance at Cintra Group Holdings, Howard oversaw FP&A, accounting, and treasury across international operations, spearheading expansion into Latin America with first-year profitability. He is recognized for his ability to blend data-driven insight with strategic vision, providing clients clarity in decision-making and confidence in execution.

Howard holds an MBA in Finance and is both a Certified Management Accountant (CMA) and Certified in Strategy & Competitive Analysis (CSCA). At Valley FinServ, he partners with clients to unlock financial clarity, optimize growth, and build sustainable value.

Chamese G. Ruddock, CPA

Accounting & Compliance Expert | Co-Founder, Valley FinServ

Chamese is a growth-oriented accounting leader with over 15 years of experience in corporate controllership, audit, and financial reporting across multinational organizations. Her career spans senior finance roles at Red Ventures, American Tire Distributors, and Compass Group USA, where she managed teams delivering financial statements for multi-billion-dollar business units, implemented SOX and GAAP compliance, and identified millions in cost savings through process improvements.

As founder of Valley FinServ, Chamese partners with clients to strengthen their accounting foundations, accelerate financial closes, and ensure audit readiness. She has a proven track record of helping organizations—from nonprofits to growth-stage companies—achieve transparency, compliance, and operational efficiency.

Chamese is a licensed Certified Public Accountant (CPA) and holds a Bachelor of Science in Accounting & Finance. She is known for her ability to translate complex accounting requirements into practical business solutions and for guiding leadership teams with precision and integrity.
