Diving In

Is anyone else still flying high from the blessing of baptising five of our youth in September? To watch them take that step as a statement of their commitment to God was not only an important moment in their walk with God but a shining example to our youth and children. Even my 7 year old who watched the baptisms said to

me he needs to practice holding his breath under water ready for when he is baptised, he was able to connect and relate to what was happening.

We pray for these 5 that God will set their feet on firm

foundations and bless every step they take on their walk with God!

Amen.

Diving Deeper

Our new termly workshops are a hit with our young people. In the summer term the children came together for a Worship Workshop which saw their creativity let loose as they explored different ways to worship God.

The autumn term served up The Prayer Project giving them space to try different ways to connect with God, a chance for everyone to start their own prayer journal and the opportunity to hear powerful testimonies of answered prayers.

Go with the Flow of the Psalms

Our yr3-yr6 group Flow spent time looking at Psalm 136 which celebrates all that God has done for his people and in the children's bible it repeats the line 'His love continues forever'.

All the children came up with some wonderful wording and I have to share with you this fantastic psalm that some of our children wrote:

*He helps us in hard times.
His love continues forever.
He created the earth.
His love continues forever.
He sent his Son to die for us
and take away our sins.
His love continues forever.
He heals people who are sick.
His love continues forever.
He gives us wildlife to enjoy.
His love continues forever.
He reveals his good plans to us.
His love continues forever.*

Gift Week On Sunday 17th November we will see the start of Gift Week. This is an opportunity to stretch our faith as we meet the financial needs of our church including £2000 towards the costs of

Newday. We would love the children to feel included in this so please do talk to them about it and if they want to bring some pocket money to contribute please do! They can put it in the box on the welcome desk.

O'Come Let Us Sing Carols!

The children have an exciting invitation to join us on stage at our upcoming carol service on Dec 22nd. To prepare for this we will be practicing the carol O'Come All Ye Faithful on 24th Nov, 8th & 14th Dec straight after The Source so please pick your children up at 12 noon on those dates. There will be the option to sing or play percussion so something for everyone including our Splashers!

Samaritan's Purse Operation Christmas Child

If you have packed a shoebox for this appeal
Please drop it to Alton Maltings by 18th November.

Spiritual Gifts Morning

While the grown ups studied Spiritual Gifts at the Alton Methodist Church the Children were at Alton Maltings doing the same, just with more marshmallows! We had such a great morning of discovery and every child chose one or more spiritual gifts that they would like to explore further so do ask them about what they chose, you may be surprised!

Just as a body, though one, has many parts, but all its many parts form one body, so it is with Christ. **1 Corinthians 12 vs 12**
