

Pathways to Promise Outreach

**Strengthening Families • Supporting
Neighbors • Restoring Dignity**

The Impact of Our Monthly Food Pantry

Our food pantry provides consistent, dignity-centered support to families facing food insecurity. Each month, more than 150 neighbors receive nutritious groceries, essential items, and compassionate care.

Community Voices

- **“The P2P food pantry supported my family during a very difficult time. It eased so much stress and ensured we had meals and essential items when we needed them most.”** — *Single mother of three*
- **“Having access to this monthly food pantry helps very much, because food is expensive.”** - *Household experiencing food insecurity*
- **“Participating in this food pantry helps my family save money and relieves stress. It’s nice to know that this church**

cares about the community.” – Food pantry participant

- **“This really helps a lot; food is so expensive these days.” – Pantry guest**

Blessing Bags for Our Unhoused Neighbors

Through our Blessing Bag initiative, individuals experiencing homelessness receive hygiene items, snacks, socks, hats, and other essentials that provide both immediate relief and long-term usefulness.

A Lasting Difference

“These Blessing Bags have had a lasting impact on our clients. After they use the personal hygiene products, snacks, socks, hats, and other items inside, the clients save the bags for carrying their personal belongings, work shoes, and other daily necessities.”

— Director, Local Homeless Center

Our Commitment

True Deliverance Ministries’ **Pathways to Promise Outreach** is dedicated to reducing

food insecurity, uplifting vulnerable residents,
and ensuring every neighbor feels seen,
valued, and supported.

**Together, we are building a stronger, more
compassionate community.**
