Text Messages with Joel Ignatovich (IT Administrator)

October 20 2023 texts confirm the sysadmin credential's custody inside IT.

Rojas: *"I'm the one that killed the Solar Winds provisioning yesterday."*

Ignatovich: *"Lol that was my concern as well ... We were on the same page for that."*

Corroborates that Rojas's objection was compliance-aligned, not insubordinate.

Plaintiff: send me that 6 digit quick assist

Joel Ignatovich: 728712 AQXPE8

Plaintiff: Good meeting you virtually. I appreciate the “process”. I’m the one that killed the Solar Winds provisioning yesterday. Nobody gets a sysadmin account on my watch

Joel Ignatovich: LoL that was my concern as well
We were on the same page for that
Pleasure meeting you virtually as well!
