

At Under Process UAE we offer expert support for your UAE business registration and services.

We are your strategic partner for seamless business set-up and support across the Emirates. We specialise in helping entrepreneurs, investors, and corporates establish their presence in the UAE with confidence and ease.

Business Set-Up Services – End-to-end support for establishing mainland, free zone, or offshore companies.

Health Checks & Visa Services – Coordination of medical checks and complete visa processing for investors, employees, and dependents.

Office Search & Selection – Assistance in sourcing, selecting, and leasing commercial office space aligned to your budget and business needs.

Office Relocations & Support – Efficient relocation planning, setup, and continuity support to minimise downtime and disruption

Business Support Services – Ongoing administrative and operational support tailored to your industry and scale, both virtual and onsite.

Administration Support Services – Scalable admin resources including secretarial services, reception, appointment scheduling, and business coordination.

HR Management Services - we can help you with everything from recruitment to employee engagement setup under UAE law.

Documentation Services

Translation Services – Certified translation for legal, commercial, and regulatory documents in Arabic and other major languages.

Document Verification & Validation – Support with verifying and authenticating local and international documents.

Document Clearing Services – End-to-end handling of documentation processes across UAE government departments and agencies.
