 Grades issued prior to 1975 have been converted to post-1975 grading systems

In addition to this comprehensive accreditation, the professional schools within the Columbia campus are individually accredited by their respective associations.

The unit of credit is a semester hour which, in general, represents one hour per week of lecture or two or more hours per week of laboratory for a semester of sixteen weeks. **GRADE FORGIVENESS:** Undergraduates earning a D+, D, F or WF in courses taken Fall 2007 or later may take up to two(s) of these courses for a second time for the purpose of grade forgiveness. **EXPLANATION OF TOTALS:**

- Hours Carried (HC) - Course hours for which the student was enrolled
- Hours Earned (HE) - Course hours passed
- GPA Hours (GH) - Course hours used in computing the grade point average
- Grade Points (GP) - GPA hours times the value of the grade. Grading is on a 4-point scale.

Separate grade totals are kept on undergraduate, graduate, law and medical records. Transfer hours earned include collegiate level course work, credit by exam, credit for military experience and work earned at foreign institutions. All collegiate course work earned is used to determine graduation honors.
