Politics and Homecoming

Congressman Tom O'Halleran posing with the students he just lectured

Hope you enjoyed your visit Mr. O'Halleran

In October Congressman Tom O'Halleran visited our school and talked to class officers as well as other representative positions in our school. He lectured and taught many kids about the Library of Congress, Politics, and his own personal wisdom. He is a representative of Arizona for the House of Representatives. He represents Arizona's first congressional district and is also a member of the Democratic Party. We at Duncan would just like to thank Mr. O'Halleran for visiting our school and teaching us a little more about politics as well as the importance of our National Archives.
