Homecoming

Homecoming was a huge success, our football team won against St. David. From amazing hall decorations to great costumes to crazy fun pep rallies we can say this is the best year yet. The seniors won the spirit stick, they also beat the teachers in volleyball which is a first. It's good to know that everyone was having a great time and hopefully we make next year better!

College Fair

On Thursday November 9th, we will have a college fair. Many schools are going to be there as well as many employers looking for future workers. Make sure to look presentable. (A list of schools will be on page 2)
