December 2017

Career Fair

College and Career Fair

The career fair was a success, with over 15 different colleges and businesses. Many students learned a lot on what can be done. Make sure to thank all the people who planned this, especially Mrs. Melton who has planned this since the beginning of the year.

Christmas Break!!!

Next week we will have a half day on Wednesday. We will then be released for our winter break. Two weeks without school, so make the most of it and enjoy your time with family. Happy Holidays from all of us!
