EZSchoolPay is set up and ready to use! It's simple to set up and is nice to have the email reminders when your account runs low. If you need your child's lunch number you can email me at spatton@duncanschools.org and I will send it to you. The school board passed a new No Charging Lunch Policy and it's available on the school website. I urge you to take care of your lunch bills so your students don't miss out on extracurricular activities.
