To pay online go to EZSchoolpay.com and use your student's Lunch Number to set up your profile. If you need the number, email me at spatton@duncanschools.org. Please take a moment to visit our school website and read our meal charge policy. The amount of lunch money owed is at an all-time high. I will have no choice but to follow through with the policy, which means students owing more than \$40 will not be allowed to participate in sports or field trips.
