

# REFERRAL RAFFLE PROGRAM

**At Truleg, we believe in giving back to those who support us. That's why we're excited to introduce our Referral Raffle Program!**

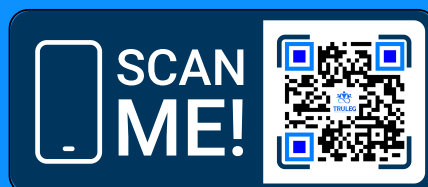

Exciting prizes await our fortunate winners each month, ranging from gift cards to exclusive experiences – our way of expressing gratitude. We are dedicated to making a positive impact, and alongside the raffle, we will announce the charity or non-profit we're supporting for that month. Your referrals play a crucial role in enabling us to contribute even more to these causes. Raffle draws take place on the 1st day of each month at 9 am. Don't forget to tune in to our announcements to find out if you're the lucky winner and to discover the charity we're backing that month. Your support not only ensures the success of our business but also empowers us to give back more to the community. Join us in making a difference!

## HERE'S HOW IT WORKS:

Every referral you provide earns you an entry into our monthly raffle, held on the 1st day of each month. Winners will be announced at 9 am, starting March 2024. Not only do you stand a chance to win fabulous prizes, but you also contribute to a good cause.

## QUALIFICATIONS:

- To enter, simply provide us with the name, phone number, relationship to the person, and email (if possible) of the referral. Remember, Husband/Wife referrals count as 1 entry.
- They do not have to buy a policy to be included in the raffle.
